Report on the Financial Statements

We have audited the accompanying financial statements of SASHAKT BHARAT PARTY, (the "party") which comprise the Balance Sheet as at 31st March, 2020, the Income & Expenditure Account, the Cash Flow Statement for the year ended on that date and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Party's Management is responsible for the preparation and presentation of the financial statements that give a true and fair view of the financial position and cash flows of the Party in accordance with the accounting principles generally accepted in India, including the applicable Accounting Standards. This responsibility also includes maintenance of adequate accounting records for safeguarding of the assets of the Party and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our Audit in accordance with the auditing standards generally accepted in India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Party's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Party's has in place an adequate internal financial control system over financial reporting and operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Party's Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements prepared on cash basis and without providing for depreciation on fixed assets give a true and fair view in conformity with the applicable accounting principles generally accepted in India, of the state of affairs of the Party as at 31st March, 2020, its income and expenditure and cash flows for the year ended on that date.

Our opinion on the financial statements, in so far as it relates to the amounts and disclosures included in respect of these state and other units financial statements are based solely on the report of the other auditors.

Our opinion on financial statements, and our report on other legal regulatory requirement below is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditors.
