Compendium of Instructions on Election Expenditure Monitoring

(January - 2015)
It is true that multi-party democracy cannot function without use of money, which is essential for election campaigns, but it is also conceded at all hands that the abuse of ‘Money Power’ entails certain risks like uneven playing field, lack of fair competition, political exclusion of certain sectors, co-opted politicians under campaign debts and tainted governance with rule of law undermined. Keeping in view the said risks, the election expenditure monitoring mechanism was put in place by the Commission, for conduct of free and fair elections after discussions with the stakeholders like the political parties, media and civil society organizations. This Compendium of Instructions on election expenditure monitoring was issued for the first time during general election in Bihar in 2010. The said Compendium is updated before every general election, incorporating the changes made during the process of each election.

2. The gist of instructions and copy of all instructions relating to Election Expenditure Monitoring are given in Part-I and Part-II of this compendium. It delineates the role of political parties, candidates, Election officials and Observers and mentions the relevant case laws pertaining to the election expenditure, thus providing a ready reckoner to the election officials, candidates and political parties. This Compendium guides the officers of various Law enforcement agencies about their role during election process.

3. Curbing the use of money power during election process is a very challenging job in view of its inherent complexities involved. The process is still evolving and requires tremendous efforts and cooperation from all stakeholders in order to ensure the purity of the elections. This compendium has also stood the test in the High Courts and in the Apex Court. Besides giving a perspective on the challenges faced during the elections, this compendium seeks to provide a comprehensive picture about Commission’s efforts in dealing with this challenge.

PART I
1. **Introduction:**

Section 77(1) of the Representation of the People Act, 1951 makes it mandatory for every candidate to the House of the People or a State Legislative Assembly to keep a separate and correct account of all expenditure incurred or authorized by him or by his election agent, between the date on which he was nominated and the date of declaration of the result of election, both dates inclusive. The total of the said expenditure shall not exceed such amount as may be prescribed under Section 77(3) of R.P. Act, 1951. Under Section 77(2), the account shall contain such particulars as may be prescribed. Rule 90 of the Conduct of Elections Rules, 1961 prescribes varying limits of election expenditure for Parliamentary and Assembly Constituencies in each of the States and Union Territories. Particulars, which have to be shown in the account, are prescribed in Rule 86 of those Rules. The ceilings on expenditure as prescribed are enclosed at **Annexure 1.** Failure to maintain the account is an electoral offence under Section 171-I of the Indian Penal Code.

The incurring or authorizing of expenditure in excess of the limit prescribed under Section 77(3) of R.P. Act, 1951 is a corrupt practice with reference to Section 123(6) of the R.P. Act, 1951. The beneficial object sought to be achieved by making the incurring or authorizing of election expenditure in excess of the prescribed limit as a corrupt practice was elucidated by the Supreme Court in *Kanwar Lal Gupta vs Amar Nath Chawla* (AIR 1975 SC 308), as follows:

“... *The object of the provision limiting the expenditure is two fold. In the first place, it should be open to any individual or any political party, howsoever small, to be able to contest an election on a footing of equality with any other individual or political party, howsoever rich and well financed it may be, and no individual or political party should be able to secure an advantage over others by virtue of its superior financial strength.... The other objective of limiting the expenditure is to eliminate, as far as possible, the influence of big money in the electoral process. If there was no limit on expenditure, political parties would go all out for collecting contributions... The pernicious influence of big money would then play a decisive role in controlling the democratic process in the country....*”

According to Section 78 of R.P. Act, 1951, every contesting candidate is
required to lodge a true copy of the account of his election expenses with the District Election Officer (DEO) within 30 days of the declaration of the result of the election. Failure to lodge the account of election expenses within the time and in the manner required by law without good reason or justification may result in disqualification of the candidate concerned by the Election Commission of India under Section 10A of R.P. Act, 1951.

*The Supreme Court has held in L.R. Shivaramagowde Vs. T.M. Chandrashekar - AIR 1999 SC 252 that the Commission can go into the correctness of the account of election expenses filed by the candidate and disqualify a candidate under Section 10A of the Representation of the People Act, 1951 in case the account is found to be incorrect or untrue.*

Thus not only a candidate is required to keep his election expenses within the ceiling prescribed by law, he has also to maintain a day to day and true account of his election expenditure in the prescribed manner, present the account for inspection by the Observer, RO or authorized person and submit it to the DEO concerned within 30 days of the declaration of the result. Exceeding the prescribed ceiling of expenditure can be a ground for an election petition against a winning candidate. The legal provisions regarding election expenditure are set out in *Annexure-1* of this Compendium.

Instructions have been issued by the Commission from time to time on monitoring of election expenditure and its scrutiny. This Compendium brings together at one place the relevant provisions of law and instructions to be followed scrupulously by election officers, observers, candidates and political parties for effective monitoring and scrutiny of election expenditure.

**2. Types of Election Expenditure:**

Election expenditure can be broadly put in two categories. The first type is the election expenditure, which is allowed under the law for electioneering, subject to it being within the permissible limit. This would include expenditure connected with campaigning like on public meetings, public rallies posters, banners, vehicles, advertisements in print or electronic media etc. The second category of the expenditure is, on items which are not permitted under law. For example, distribution of money, liquor, or any other item to the electors with intent to influence them comes under the definition of bribery and is an offence under the IPC and corrupt practice under
the R.P. Act, 1951. The expenditure on such items is illegal. Yet another form of expenditure which is coming to the fore in recent times is on Surrogate Advertisements, Paid News etc. The purpose of election expenditure monitoring is, therefore, twofold. For the first category of expenditure, it must be ensured that all election expenditure on permitted items is truthfully reported and considered while scrutinizing the expenditure account submitted by the candidates. As far as the second category of expenditure including surrogate advertisements, paid news etc., is concerned, it is obvious that it will never be reported by the political parties/ candidates. The systems should be robust enough to catch such expenditure as well, and not only include it in the account of election expenditure, but also take action against the wrongdoers under the relevant provisions of the law, including lodging of complaints before the police/ competent magistrate, if required.

3. Election Expenditure Monitoring mechanism:

For monitoring day to day election expenditure incurred by the candidate, election expenditure mechanism will be put in place in each constituency. Maintenance of the day to day account of election expenditure by the candidate is mandatory. Though the account of election expenditure is required to be submitted within 30 days from the date of the declaration of the result, the monitoring has to be done on a regular basis during the campaign period for it to be of any use. After the campaign is over it will be difficult to get any evidence of election expenditure. Since, the DEO is required under the law to scrutinize and submit a report to the Commission after the election, it is primarily the duty of the DEO to collect proper evidence during election campaign, based on which it will be decided whether any expenditure is left out in the statements of accounts submitted by the candidates. The following will be the structure of the Expenditure monitoring mechanism:

3.1. Structure of Election Expenditure Monitoring Mechanism:

3.1.1. Expenditure Observers (EO):

The Expenditure Observers shall be appointed by the Commission for specified constituencies to observe the election expenses by the candidates. There shall be at least one Expenditure Observer for each district, but each Expenditure Observer ordinarily shall not have more than five Assembly
Constituencies under his observation.

3.1.2. **Assistant Expenditure Observers (AEO):**

Assistant Expenditure Observers (AEO) shall be appointed for each constituency on date of notification of election by the DEO and if change is suggested by the Expenditure Observer, the same shall be carried out. The AEO shall be of the rank of Group B Officer or equivalent in other Central Government Services. If the officers of Income Tax Dept. are engaged by the Investigation Directorate for the seizure of cash and goods, then such names should not be requisitioned for the AEO’s duty. If there is absence of such officers in the district then officers of the State Treasury or Finance Department may be nominated. He should preferably be a local officer, posted within the same district or nearby but whose work place and home town should not be in the same Constituency. This information will also be intimated to the R.O. and the D.E.O. of the constituency/district if any such candidate belongs to another district. Commission’s instructions contained in its letter no. 76/2004/JS-II, dated 10-04-2004 shall also be followed regarding expenditure incurred on barricades and rostrums etc. (Annexure-31).

5.9.1 (i) If the Video Van is used by the political party during election process for general party propaganda without mentioning the name of any candidate or without photo of candidate except star campaigner of any constituency, then it shall be booked to party account, which shall be reported within 75 days by the party after completion of election in case of Assembly
election or within 90 days in case of LokSabha election. (Commission’s letter no. 76/Instructions/2012/EEPS/Vol. I dated 9th February, 2012, at Annexure 62)

(ii) If the name(s) or photo(s) of candidate(s) are displayed or any posters/banners of the candidate(s) are displayed thereon and the van is used in his constituency, then the expenditure has to be accounted for by such candidate(s).

5.10. Other Monitoring Mechanism:

5.10.1. Monitoring of Accounts of Self Help Groups, NGOs etc.

There have been complaints pertaining to Self Help Groups, NGOs etc. being made conduits by the political parties/candidates for distribution of money/materials and are being utilized for election campaigns. In as much as the revolving fund/economic assistance is channelised through the DRDAs, it should be easily possible to monitor the SHGs closely so as to ensure that they are not utilized for distribution of money/materials which is a corrupt practice and an electoral offence with reference to the provisions of the RP Act, 1951 and the IPC. The DEOs shall call for report on alternate day of the SHG/NGO activities in their district during the election process.

5.10.2. Checking Distribution of gift articles/serving of food in Marriage/Community Halls:

There are frequent complaints of Marriage Halls/Community halls or other big Halls being utilized in the past for distribution of gift articles (like dhotis/sarees)/serving of food etc. The use of Marriage Halls/Community Halls and similar places during election period should be kept under watch by the District electoral machinery with reference to the purpose of booking for which some evidence (like marriage invitation) must be obtained so that there is no camouflage of expenses for election purposes. The DEOs shall collect daily reports of such bookings and see that no fake party is being organized for influencing the voters. Report of any suspicious booking/event should be handed over to the Assistant/Dy. Director of Income Tax, in charge of the district, who will examine the expenses from Income tax angle. Large scale feeding under the cloak of "Annadanam" outside places of worship will give
room for suspicion that serving of food is being resorted to influence the voters on the eve of the election, which is a corrupt practice and an electoral offence with reference to Section 123 of the Representation of the People Act, 1951 and the provisions in Chapter IX-A of IPC. The CEOs/DEOs should ensure that in case of any suspicion about feeding on a large scale, necessary steps should be taken to prevent it.

5.10.3. A doubt has been raised with regard to participation of candidates in the community kitchens (langar, bhoj, etc.) organised by religious communities in their religious institutions as a matter of customary practice and the bhoj/feast, etc. offered as a matter of social practice following a ritual ceremony, like, marriage, death, etc. As per the Commission’s instruction No. 76/Instruction/2011/EEM dated 05.12.2011 (Annexure 60) expenditure on the community functions shall be treated as the election expenses of a candidate and added to account of the candidate, if any contesting candidate(s) attends the community kitchen (in whatever name has been called) either organised by him or by any other person to entertain the electors. However, this instruction does not apply to community kitchens/langars, etc. organised by religious communities within their religious institutions as a customary practice or the bhoj/feast, etc. offered by any person (other than the candidate) in the normal course to celebrate any ceremony like, marriage, death, etc., and the expenses incurred on such community kitchen/langar/bhoj/feast, etc. shall not be included in the election expenses of the candidate, provided that the candidate participates there in the normal course as a normal visitor. It shall further be ensured that the candidate does not make any financial contribution for arranging such community kitchen, etc. and no political campaign in any manner is undertaken at such community kitchen, etc. The restrictions on the community kitchens, etc., as mentioned above, shall be over after the completion of poll/ repoll in the constituency. (Commission’s Instruction letter No. 76/Instruction/2011/EEM, dated 5th December, 2011 Annexure 60)
5.10.4. Checking Distribution of Tokens to be exchanged for gifts or cash or distribution of money through various means:

Another form of corrupt practice in respect of which there have been complaints in the past relates to distribution of tokens by parties/candidates to the voters. It is also reported that token distribution is done at the time of Aarti offering or in meetings/functions and pawn brokers are used as channels for bribing the voters. In order to ensure that there is no scope for misuse, token distribution through any method including in meetings/functions held for election campaigning or social gatherings should be checked by collecting proper evidences and lodging police complaints. The DEO should arrange meeting with citizen forum, volunteers, Nehru Yuva Kendras and other NGOs to get appropriate information in right time about such activities. The DEO shall also collect the list of pawn brokers and keep them under close watch including involving the Assistant Director / Deputy Director Income tax in charge of the district for necessary action under Income Tax Act.

5.10.5. Checking distribution of cash by candidates/political parties along with disbursement of wages under any Government scheme:

Representations were received in the Election Commission alleging that money was being given on the eve of the elections by political parties/candidates to workers over and above the wages due under the Govt. Schemes like Rural Employment Scheme, and various other schemes of Government to influence the voters. It is to be noted that while poor people are not put to hardship due to the Model Code of Conduct, the disbursement of any cash by political parties/candidates in addition to wages to which the workers are entitled under the Scheme, is not permissible. This is a corrupt practice and an electoral offence. The District Election Officers should monitor the disbursement of wages and other benefits under Government schemes so as to ensure that there is no payment of cash or gift article by any candidate/political party along with the wages under the Scheme. It is also noticed that the cash benefits (both arrears and advance amount) under the Government schemes are disbursed on the eve of elections, to bring influence on the electors. It will be the responsibility of DEOs to ensure that no such arrear or advance is disbursed within 72 hours of the day of poll.
5.10.6. Monitoring of Production, Storage and Distribution of liquor during elections:

In order to curb the liquor menace, the following actions shall be initiated from the date of the notification of elections till the date of poll:-

(i) The production, offtake, Stock Limits of Licensed Stockists, Daily receipt and off take of retail sellers of IMFL/Beer/Country Liquor and Opening and Closing time of Liquor Vending Shops should be closely monitored with reference to the production figures in previous year.

(ii) Intensive vigil over inter state movement of vehicles at RTO Check Posts and border check posts by Excise staff should be kept by special enforcement staff under the State Excise Department who are deputed round the clock from the date of notification till the completion of Poll/Repoll. All distilleries and warehouses in the State shall be put under 24X7 CCTV monitoring with police guard, to ensure that no liquor is released without proper license. Stern action should be taken against any illicit storage or transportation of illicit liquor in the State. Inter State co-ordination among Excise Commissioners with bordering States should be done for monitoring of inter state movement of IMFL, Beer and Country Liquor.

(iii) District Level Nodal Officers and State Level Nodal Officer of Excise Department should be identified to monitor the above aspects, conduct raids to seize illicit liquor.

(iv) The District Level Nodal Officer will submit report on alternate day as per the proforma given in Annexure-22 of this Compendium for IMFL, Beer and Country Liquor in separate forms to State Level Nodal Officer with copy to the DEO and Expenditure Observers. State Level Nodal Officer of Excise Department will, in turn, submit the alternate day Report on excise activity of the entire State to the CEO in the same proforma with copy to the Commission.

(v) The Commission's Instruction No. 76/Instructions/EEPS/2013/Vol.VIII, dated 14th November, 2013 addressed to DEOs, SPs and all Observers for prevention of Storage and illegal distribution of liquor during elections and furnishing the daily report by the DEOs on it, may also be brought to the
notice of all concerned (Annexure 22 A). The DEO and District Excise Officer are required to submit daily report in the prescribed format to the CEO and Nodal Officer, Excise Department

5.10.7. Monitoring of cash withdrawal from Banks:

The DEO shall ask all the banks to submit daily report on suspicious withdrawal of cash from bank account of any individual person during election process. The Commission vide its letter No. 61/Complaints/AP-LS/2012/EEPS dated 19th July, 2012 (Annexure-64) has directed the DEOs to call for the following suspicious transactions from the bank:

(i) Unusual and suspicious cash withdrawal or deposit of cash in a bank account exceeding Rs. 10 lakh during the process of election, without any such instance of deposit or withdrawal during the last two months.

(ii) Unusual transfer of amount by RTGS from one bank account to the accounts of several persons in a district/constituency during the election process without any precedent of such transfer.

(iii) Any deposit of cash or withdrawal of cash exceeding Rs. 1 lakh from bank account of candidates or spouse or his dependants, as mentioned in the affidavit filed by candidates which is available in CEO’s website.

(iv) Any withdrawal of cash and deposit of cash exceeding Rs. 1 lakh in the account of the political party during the election process.

(v) Any other suspicious cash transactions, which might be used for bribing the electors.

The DEO shall ensure that the reports are received regularly from banks and the same are handed over to Expenditure Observer for analysis and investigation, if any may be conducted through the FS or through the Investigation Directorate of income Tax to see that the money is not used in election process.

In case any suspicious nature of withdrawal of large amount of cash is noticed, necessary action may be taken and the information about large amount exceeding Rs.10 lakh shall be passed on by the DEO to the Nodal Officer Income Tax Dept. [at O/o The DGIT(Inv.)] or Assistant/Dy. Director of Income Tax in charge of the district for necessary action under Income Tax
laws.

5.10.8 **Standard Operating Procedure for transportation of cash by ATM Vans and others**

In pursuance of "SOP" prescribed by the Ministry of Finance (Department of Financial Services), copy enclosed as per Annexure-66. It is reiterated that the Banks should follow the following procedure for transportation of Cash scrupulously:

(i) The bank shall ensure that the cash vans of outsourced agencies/companies carrying that bank’s cash shall not, under any circumstances, carry cash of any third party agencies/individuals except the banks. (iv) The aforesaid procedure shall be part of the standard operating rules and procedure of banks for transport of cash. (Annexure-66)

5.11 With regards to information of suspicious or illegal cash, foreign currency and Fake Indian Currency Notes (FICN) etc. found during elections a reference may be made to the relevant enforcement agencies in the district.

As per section 77 of the R.P.Act, 1951, every candidate during an election shall either by himself or by his selection agent, keep a separate and correct account of all expenditure in connection with the election, incurred or authorized by him or by his election agent between the date on which he has been nominated and the date of declaration of the result thereof, both dates inclusive.

6.1.2. Section 78 of the R P Act 1951 provides that every candidate has to lodge a true account of his election expenses maintained under Section 77 of the R P Act 1951, with the District Election Officer within 30 days from the date of declaration of result of the election. In the computation of this 30 days period, the date of declaration of result of election is excluded. The Commission has clarified vide its letter No. 76/95/J.S.II dated 10-04-1995 (copy enclosed at Annexure-20) that in fairness to the contesting candidates, they will be permitted to file their election expenses in English, Hindi or the local language(s) in which the electoral rolls are printed. For this, it has to be ensured that all contesting candidates get the forms/registers/extracts of rules relating to lodging of their returns of accounts of election expenses in the approved regional language for electoral rolls and no candidate complains that he was not aware of the statutory requirements relating to filing the returns of election expenses and he is able to maintain his day to day account properly. Various instructions of the Commission issued from time to time for the guidance of the contesting candidates are given in Annexure 36 to 46.
6.2.1. Separate Bank Account to be opened by each candidate for election expenditure: (Annexure 79 letter no.76/Instrution/2013/EEPS/Vol.IV, dated 15th October, 2013)

In order to facilitate monitoring of election expenditure, each candidate is required to open a separate bank account exclusively for the purpose of election expenditure. This account shall be opened any time at least one day before the date on which the candidate intends to file his nomination papers. The Account Number of this bank account shall be communicated by the candidate in writing to the RO at the time of filing of his nomination. All election expenditure shall be made by the candidate only from this bank account. All money to be spent on electioneering shall be deposited in this bank account irrespective of its funding from any source including candidate’s own fund. A certified copy of the account statement of this bank account shall be given by the candidate to the DEO along with the statement of the account of expenditure at the time of filing of the Abstract Statement, after declaration of results. 6.2.3. The bank account can be opened anywhere in the state. The accounts can be opened in any of the banks including the co-operative banks or in the post offices. The existing bank account of the candidate should not be used for this purpose as it has to be a separate bank account for election purpose.

6.2.4. The DEOs will issue suitable instruction to all banks or post offices to ensure that they open dedicated counters for election purpose to facilitate prompt service to the candidates in opening of bank accounts. They should also allow withdrawals and deposits from the said account on priority during the election period.

6.2.5. The Commission has issued Instruction No. 76/Instruction/2011/EEM
dated 7.4.2011 (Annexure-56) that the candidate shall incur all election expenses by crossed account payee cheque, from the bank account opened for election purpose. In fact, this register will contain the entire election expenditure incurred/authorised by the candidate/election agent/the party/any other person. Regarding source of such expenses, any amount incurred/authorised by the candidate from his own fund should be mentioned in the relevant column. Amount received from political party or incurred or authorised by political party either in cash or in kind shall be mentioned in the column meant for the purpose. Source of any amount either received in cash or in kind from any person or entity other than political party shall be mentioned in the separate column meant for this purpose.

P .Act, 1951, should not be appointed such an additional agent. The general prohibition against appointing minister/MP/MLA/MLC/Mayor or Corporation/Chairman or Municipality/Zila Parishad, as any agent for a candidate, would also apply for such additional agent. 7.3. On the days fixed for inspections of Register of a candidate, the Assistant Expenditure Observer assigned to keep a watch on the expenditure in that constituency should be present, along with the Shadow Observation Register and Folder of Evidence.

7.4. If a candidate or his agent does not produce his election expenditure Register for inspection on the day fixed for this purpose, a notice shall be issued to the candidate by the R.O in writing informing him that if he fails again to produce the Register for inspection on the day specified in the notice, it shall be presumed that he has failed to maintain day to day account of election expenditure as required under Section 77 of RP Act 1951. This notice shall be given widest possible publicity and a copy shall be
displayed on the notice board of the R.O. 7.6. **District Expenditure Monitoring Committee (DEMC) as per Order of the Commission, dt. 14.03.2013 (refer Annexure-74):**

The expenditure incurred on travel by leaders of a political party whose names have been communicated to the Commission and Chief Electoral Officer within 7 days from the date of issue of notification of election as required under Explanation-2 to Section 77(1) is not deemed to be expenditure incurred or authorized by a candidate of that political party for the purpose of the said section. If such intimation is not received from the party within the stipulated time, the expenditure on travel of such leaders shall be added to the candidate’s expenditure.

10.2. The Supreme Court, in its judgment in *Kanwar Lal Gupta Vs. Amar Nath Chawla* (A.I.R. 1975 SC 308), dated 10-04-1974 has held that the
expenditure incurred by the political party which can be identified with the election of a given candidate, as distinguished from the expenditure on general party propaganda, would be liable to be added to the expenditure of that candidate as being impliedly authorized by the candidate. The expenditure incurred by a political party on advertisements, in connection with any election could be categorized into the following:

(i) Expenditure on general party propaganda seeking support for the party and its candidates in general, but, without any reference to any particular candidate or any particular class/group of candidates.

(ii) Expenditure incurred by the party, in advertisements etc., directly seeking support and / or vote for any particular candidate or group of candidates.

(iii) Expenditure incurred by the party, which can be related to the expenditure for promoting the prospects of any particular candidate or group of candidates.

10.3. Applying the ratio of the judgment in Kanwarlal Gupta's case, it is clarified that in the case of any advertisement by political parties, whether in print or electronic or any other media, falling in category (i) above, which is not relatable to the election of any particular candidate or a given group of candidates, the expenditure may be treated as expenditure of the political party on general party propaganda. If the Star Campaigner/Candidate visits his constituency, where he has contested the election, the travel expenses within the constituency for overseeing the counting arrangements before, or on the date of counting shall be added to his account. The travel expenses outside the constituency will not be added to his account. If the political party is bearing travel expenses of a Star Campaigner outside his constituency, the said expense shall be shown by the political party in the accounts submitted to the Commission within 75 days of the completion of election. 5. Whereas. The Hon'ble Supreme Court of India by its further order dated 13th April, 2004, in SLP (Civil) No.6679/2004. has directed as follows:

"Before we pass the order, it will be worthwhile to notice certain provisions of the Cable Television Networks (Regulation) Act, 1995 (for short, "the Act"), as amended from time to time, and the Rules framed there under."
The object of the Act is to regulate the operation of the cable television network in the country. Section 6 of the Act provides that no person shall transmit or re-transmit through a cable service any advertisement unless such advertisement is in conformity with the prescribed advertisement code. Section 11 of the Act provides that if any authorized officer has reason to believe that the provisions of the Act have been or are being contravened by any cable operator; he may seize the equipment being used by such cable operator for operating the cable television network. Section 12 of the Act provides for confiscation of the equipment in the event of any violation of the provisions of the Act. Similarly, Section 13 of the Act also provides for seizure or confiscation of the equipment and punishment. Section 16 further provides for punishment for contravention of the provisions of the Act. Section 19 lays down that an authorized officer, if he thinks necessary or expedient so to do in the public interest, may, by order, prohibit any cable operator from transmitting or re-transmitting any advertisement which is not in conformity with the prescribed programme code and advertisement code and it is likely to promote enmity on grounds of religion, race, language, caste or community or any other grounds whatsoever, disharmony or feelings of enmity, hatred or ill-will between different religion, racial, linguistic or regional groups or castes or communities or which is likely to disturb public tranquility. Section 22 of the Act empowers the Central Government to frame Rules to carry out the provisions of Act. The Central Government in exercise of the powers conferred on it by Section 22 of the Act is empowered to make Rules which are known as The Cable Television Networks Rules, 1994 [for short, "the Rules"]. Rule 7 of the Rules provides that where an advertisement is carried in the cable service it shall be so designed as to conform to the laws of the country and should not offend morality, decency and religious susceptibilities of the subscribers. Sub-rule (2), inter-alia, provides that no advertisement shall be permitted which derides any race, caste, colour, creed and nationality, is against any provision of the Constitution of India and tends to incite people to crime, cause disorder or violence or breach of law or glorifies violence or obscenity in any way. Sub-rule (3) further provides that no advertisement shall be permitted the objects whereof are wholly or mainly of religious or political nature, advertisements must not be directed towards any religious or political end. It is in this background, we now propose to pass the following order:

Every registered National and State, political party and every contesting candidate proposing to issue advertisement on television channel and/or cable network will have to apply to the Election Commission/Designated Officer (as designated by
the Election Commission) not later than three days prior to the date of the
proposed commencement of the telecast of such advertisement. In case of any
other person or unregistered political parties, they will have to apply not later than
seven days prior to the date of the telecast. Such application shall be
accompanied by two copies of the proposed advertisement in electronic form
along with a duly attested transcript thereof. In case of first phase of elections,
the application shall be disposed of within two days of its receipt and until
decision thereon is taken, our order dated 2nd April, 2004, shall apply. In case of
subsequent phase of election, the application shall be disposed of within three
days of its receipt and until the decision thereon is taken, our order dated
2nd April, 2004, shall apply. While disposing of such applications, it will be open to
the Election Commission/Designated Officer to direct deletion/modification of any
part of the advertisement.

The application for certification shall contain following details:

(a) The cost of production of the advertisement;

(b) The approximate cost of proposed telecast of such advertisement on
a television channel or cable network with the break-up of number
of insertions and rate proposed to be charged for each such insertion;

(c) It shall also contain a statement whether the advertisement inserted is for
the benefit of the prospects of the election of a candidate(s)/parties;

(d) If the advertisement is issued by any person other than a political party or
a candidate, that person shall state on oath that it is not for the benefit of
the political party or a candidate and that the said advertisement has not
been sponsored or commissioned or paid for by any political party or a
candidate; and

(e) A statement that all the payments shall be made by way of cheque
or demand draft.

We find that Section 2(a) of the Act defines "authorized officer", within his local
limits of jurisdiction, as (a) District Magistrate; (b) Sub-divisional Magistrate; or
(c) or Commissioner of Police. Similarly, Section 28 A of the Representation of
People Act, 1951 provides that the Returning Officer, Assistant Returning
Officer, Presiding Officer, Polling Officer and any other officer appointed under
this part and any police officer designated for the time being by the State
Government, for the conduct of any election shall be deemed to be on deputation
to the Election Commission for the period commencing on and from the date of
the notification calling for such election and ending with the date of declaration
of results of such election and, accordingly, such officer shall during that period, be subject to the control, superintendence and discipline of the Election Commission.

Since it is not physically possible for the Election Commission to have a pre-censorship of all the advertisements on various cable networks and television channels, it has become necessary to authorize the Election Commission to delegate its powers in this behalf to the respective District Magistrates of all the States or Union Territories, not below the rank of a Sub-divisional Magistrate or a member of the State Provincial Civil Service. This may be done by a general order issued by the Election Commission. These officers shall act under the control, superintendence and discipline of the Election Commission. The Election Commission in its turn may delegate its powers to the Chief Electoral Officer of each State or the Union Territories, as the case may be.

The Chief Electoral Officer of each State or Union Territory may appoint a committee for entertaining complaints or grievances of any political party or candidate or any other person in regard to the decision to grant or to refuse certification of an advertisement. The committee so appointed shall communicate its decision to the Election Commission.

The committee so constituted will function under the overall superintendence, direction and control of the Election Commission of India.

The decision given by the committee shall be binding and complied with by the political parties, candidates, or any other person applying for advertisements in electronic media subject to what has been state above.

The comments and observations for deletion or modification, as the case may be, made, shall be binding and complied with by the concerned political party or contesting candidate or any other person within twenty four hours from the receipt of such communication and the advertisement so modified will be re-submitted for review and certification.

We may clarify that provisions of Section 126 of the Representation of People Act. 1951, shall apply to the advertisement covered by this order.

If any political party, candidate or any other person is aggrieved by the decision taken either by the committee or by the Designated Officer/Election Commission it will be open for them to approach only this court for clarification or appropriate orders and no other court, tribunal or authority shall entertain any petition in regard to the complaint against such advertisement. This order shall
come into force with effect from 16th April, 2004 and shall continue to be in force till 10th May, 2004.

This order is being issued in exercise of the powers under Article 142 of the Constitution of India and it shall bind all the political parties, candidates, persons, group of persons or Trusts who propose to insert the advertisement in the electronic media, including cable network and/or television channels as well as cable operators.

It will be open to the Election Commission to requisition such staff as may be necessary for monitoring the telecast of such advertisements. Where the Election Commission is satisfied that there is a violation of this order or any provisions of the Act, it will issue an order to the violator to forthwith stop such violations and it will also be open to direct seizure of the equipments. Every order shall be promptly complied with by the person(s) on whom such order is served.

The funds to meet the cost of monitoring the advertisements should be made available to the Election Commission by the Union of India. Adequate publicity of this order shall be given by the Union of India on the electronic media and through print media.

This order is in continuation of the order passed by this Court on 2nd April, 2004 and shall remain in operation as an interim measure till 10th May, 2004.

Subject to the aforesaid order, the judgment of the High Court of Andhra Pradesh dated 23rd March 2004 shall remain stayed. This order is passed not in derogation of but in addition to the powers of the Central Government in regard to the breach of the provisions of the Act."

No.3/9/(ES008)/94-J.S. II Dated: 2nd Sept., 1994

ORDER

Subject: Restrictions on the printing on pamphlets posters etc.

The printing and publication of election pamphlets, posters, etc., is governed by the provisions of Section 127A of the Representation of the People Act, 1951. The said Section 127A provides as follows:-

“127A. RESTRICTIONS ON THE PRINTING OF PAMPHLETS, POSTERS ETC.

(1) No person shall print or publish, or cause to be printed or published, any election pamphlet or poster which does not bear on its face the names and addresses of the printer and the publisher thereof.

(2) No person shall print or cause to be printed any election pamphlet or poster:--

Unless a declaration as to the identity of the publisher thereof, signed by him and attested by two persons to whom he is personally known, is delivered by him to the printer in duplicate; and

Unless, within a reasonable time after printing of the document, one copy of the declaration is sent by the printer, together with one copy of the document.

(a) Where it is printed in the capital of the State, to the Chief Electoral Officer; and

(b) in any other case, to the district magistrate of the district in which it is printed.

(3) For the purposes of this section:--

(a) Any process for multiplying copies of a document, other than copying it by hand, shall be deemed to be printing and the expression ‘printer’ shall be construed accordingly, and

(b) ‘election pamphlet or poster’ means any printed pamphlet, and bill or other document distributed for the purpose of promoting or prejudicing the election of a candidate or group of candidates or any placard or poster having reference to an election, but does not include any handbill, placard or poster merely announcing the date, time, place and other particular of an election meeting or routine instructions to election agents or workers.
4. Any person who contravenes any of the provisions of sub-section (1) or sub-section (2) shall be punishable with imprisonment for a term which may extend to six months, or with fine which may extend to two thousand rupees, or with both.*

a. The above restrictions on the printing of election pamphlets, posters, etc., have been imposed under the law with a view to establishing the identity of publishers and printers of such documents, so that if any such document contains any matter or material which is illegal, offending or objectionable like appeal on ground of religion, race, caste, community or language or character assassination of an opponent, etc., necessary punitive or preventive action may be taken against the persons concerned. These restrictions also sub serve the purpose of placing a check on the incurring of unauthorized election expenditure by political parties, candidates and their supporters on the printing and publication of election pamphlets, posters, etc.

b. The Commission has noticed that the above provisions of law relating to printing and publication of election pamphlets, posters, etc. are being followed more in their breach than in their observance. At the time of elections, a large number of such documents are printed, published, circulated and pasted on the walls of private and Government buildings in respect of which the above mentioned requirements of law have not been complied with. The printing presses rarely send the printed documents to the Chief Electoral Officers or, as the case may be, the District Magistrates concerned along with the declaration obtained from the publisher as required under Section 127 A(2). Many a time, the election pamphlets, posters, etc. do not bear on the face the names and addresses of the printer and/or publisher thereof in violation of Section 127A (1).

c. It is further complained to the Commission that no timely action is taken against the offenders with the result that offending material is freely published and circulated with impunity. In this connection, attention is drawn to the following observations made by the Supreme Court in *Rahim KhanVs. Khurshed Ahmed and others (*AIR 1975 SC290):

"Even at this stage we may notice that the handbill in question does not contain the name of the printer and publisher although the election law so requires. Unfortunately, when such printed material is circulated, there is no agency of the law which takes prompt action after due investigation, with the result that no printer or candidate or propagandist during elections bothers about the law and
he is able successfully to spread scandal without a trace of source, knowing that nothing will happen until long after the election, when in a burden some litigation this question is raised. Timely enforcement is as important as rule of law as the making of legislation."

5. In order that in future there is strict observance of, and compliance with, the requirements of the above mentioned provisions of law on the subject, the Commission, in exercise of its powers under Article 324 of the Constitution and all other powers enabling it in this behalf, and in suppression of all its previous instructions on the subject, hereby directs as follows:-

5. (1) As soon as any election from a Parliamentary, Assembly or Council Constituency is announced by the Election Commission, the District Magistrates shall, within three days of such announcement of election, write to all printing presses in their districts.

(a) Pointing out to them the requirements of above mentioned Section 127A and specifically instructing them to indicate clearly in the print line the names and addresses of printer and publisher of any election pamphlets or posters such other material printed by them:

(b) Asking the printing presses to send the copies of the printed material (along with three extra copies of each such printed material) and the declaration obtained from the publisher as required under Section 127A (2) within three days of its printing:

(c) Impressing on them in clear terms that any violation of the provisions of Section 127A and the above directions of the Commission would be very seriously viewed and stern action, which may in appropriate cases include even the revocation of the license of the printing press under the relevant laws of the State, would be taken.

5. (2) The Chief Electoral Officers shall do likewise in respect of the printing presses located at the State capitals.

5. (3) Before undertaking the printing of any election pamphlets or posters, etc., printer shall obtain from the publisher a declaration in terms of Section 127A (2) in the proforma prescribed by the Commission in Appendix A hereto. This declaration shall be duly signed by the publisher and attested by two persons to whom the publisher is personally known. It should also be authenticated by the printer when
it is forwarded to the Chief Electoral Officer or the District Magistrate, as the case may be.

5. (4) As directed above, the printer shall furnish four (4) copies of the printed material, along with the declaration of the publisher, within three (3) days of the printing thereof. Along with such printed material and the declaration, the printer shall also furnish the information regarding number of copies of document printed and the price charged for such printing job, in the proforma prescribed by the Commission in Appendix-B hereto. Such information shall be furnished by the printer, not collectively but separately, in respect of each election pamphlets, posters, etc., printed by him within three (3) days of the printing of each such document.

5. (5) As soon as a District Magistrate receives any election pamphlets or posters, etc., from a printing press, he shall examine whether the publisher and printer have complied with the requirements of law and the above directions of the Commission. He shall also cause one copy thereof to be exhibited at some conspicuous place in his office so that all political parties, candidates and other interested persons may be able to check whether the requirements of law have been duly complied with in relation to such document and which would also enable them to bring to the notice of the authorities concerned the cases of other election pamphlets, posters, etc., in respect of which the above requirements of law have been violated.

5. (6) The Chief Electoral Officers shall also likewise take further follow up action as mentioned in sub-Para (5) above in respect of the pamphlets, posters, etc., received by them.

5. (7) The Chief Electoral Officers and District Magistrates shall initiate prompt action for investigation forth with if any case of publication of election pamphlets, posters etc. in violation of the above mentioned provisions of said section 127A and/or the Commission’s above directions either comes, or is brought to their notice. In all such cases prosecutions should be launched against the offenders most expeditiously and these cases should be pursued vigorously in the courts concerned.

6. The Commission hereby cautions all political parties, candidates and others concerned that any violation of the law and the Commission’s directions on the
above subject will be viewed with utmost concern and the most stringent action possible will be taken against the offenders.

7. If any officer who is responsible the enforcement of the above provisions of law and the directions of the Commission is found to have failed in the due discharge of his duties in this regard, he will be liable to severe disciplinary action apart from any penal action that may be called for against him for breach of his official duty.

Election Commission’s order No. 76/95/J.S.II dated 10.04.1995

ORDER

Subject: Language in which the accounts of election expenses may be filed by the contesting candidates.

1. The question of language in which a contesting candidate can file the return of account of election expenses under section 78 of the Representation of the People Act, 1951 has been examined by the Commission.

2. All statutory documents and forms under the election law are printed and made available in the local approved languages. Candidates and others are permitted to file miscellaneous petitions and representations in local languages. These documents are not rejected on grounds of their not being in English or Hindi.

3. It would be unjust to reject an election expenses return lodged by a candidate on the ground of its not being in English or Hindi in view of the fact that the candidates who are not well versed in these languages will feel deprived. If mistakes are found in returns of election expenses the same may be ascribed to lack of knowledge of English or Hindi.

4. Apart from the mandatory provision that all statutory documents and forms shall be prepared in local approved languages, the Commission also directs the Chief Electoral Officers in its various important orders and directions to get them translated into local languages if those orders or directions are meant for wide publicity and circulation among the political parties, candidates and public in the State.

5. Thus, in fairness to the contesting candidates at elections to the House of the People and the State Legislative Assemblies from different States and Union Territories, they will be permitted to file returns of election expenses in English, Hindi or the local language(s) in which the electoral rolls are printed. It shall be responsibility of the Chief Electoral Officers, District Election Officers and Returning Officers to ensure that all the contesting candidates get the forms/registers/extracts of rules relating to lodging of returns of accounts of election expenses in the approved regional language for electoral rolls so that no candidate may complain that he is not aware of the statutory requirements relating to filing the returns of election expenses and he is able to maintain his account from day to day properly and accordingly.

Sir,

I am directed to draw your attention to the instructions of the Election Commission of India regarding Production, Storage and Distribution of Liquor during Election (ECI Compendium of Instructions on Election Expenditure Monitoring, July 2013 section 5.10.6, page 28). I am further directed to inform that preventing illegal liquor distribution during the election is one of the very important responsibilities of the Collector & District Election Officer and the Superintendent of Police. Observers of the Election Commission are also expected to monitor such activities.

2. In this regard detailed instructions have been issued from time to time and list of IMFL shops are be made available to the DEOs where there had been suspicious increase in sale of IMFL. The DEOs are also aware that all the excise units of the districts, namely- Distilleries, Bottling Units, Liquor Warehouses have been brought under continuous surveillance of the officials concerned. In important units, officers and armed forces are to be posted round-the-clock. Moreover, almost in all districts, available officials are to be given the special responsibility of monitoring liquor flow during the elections. Some of the officials will have to be deployed on the border check post to prevent cross-border liquor movement during the elections.

3. Though, these steps have resulted in significant tightening of excise machinery in the State, yet the situation needs further improvement at district level. The retail outlets of liquor
are turning out to be highly vulnerable from liquor distribution point of view. All District Collectors and Superintendent of Police need to work on this in a more focused and systematic way.

4. The Commission has been receiving following complaints:

A. Storage of cheaper brands of IMFL and country liquor in local slums, shanty towns and remote rural pockets for distribution prior to election. This storage is happening with help from the retail shops which are selling liquor in bulk to individuals, in contravention of State Excise Act and General and Special License Conditions.

B. Stock registers are not being maintained in some of the shops. It has been reported that some shops, even though maintain the stock register, they do not maintain brand-wise stock register. This creates serious problems in monitoring the daily sales and makes physical stock verification of the shops almost impossible.

C. Coupons are being issued by the candidates, which are convertible into liquor bottles at the shops. This is violation of conditions of State Excise Act/Rules, which prohibits sales in any form other than cash.

5. In view of the above, I am directed to request for compliance the following instructions:-

I Daily Monitoring of liquor sales:-
Each district has, on an average 25 liquor retail shops. The district Collectors must ensure to get daily report of the shops where there has been significant increase in the sales. A good way of doing that will be to take the average daily sale of October 2013 for each of your liquor retail shop and compare daily sales figure with the October average. Wherever the sales figure exceed by 30% or more, it points to a possibility of bulk sale. These need to be investigated and severe action must be taken against the shop which may include even cancellation of the license.

For this a prescribed form for reporting is enclosed in Annexure-1. The District Collector is expected to get this report from the District Excise Officer/Assistant Commissioner and after taking suitable action send the report to the Election Commission (CEO) along with his remarks, in the format prescribed in Annexure-2.

II Ensuring maintenance of stock register:-
It has been found during surprise inspections that some of the shops are not maintaining the stock register at all, or are maintaining it without following the prescribed format. This is done with a view to hide bulk sale information and to make stock verification very cumbersome.

District Collectors with the help of the District Excise Officer/Assistant Commissioner must ensure proper maintenance of **brand-wise stock register** in all shops.

### III Use of tokens or coupons for sale of liquor:

Newspapers have been reporting that candidates are resorting to distribution to distribution of coupons/tokens, which can be exchanged for liquor bottles at the liquor shop. This as pointed out earlier is a violation of General License Conditions of State Excise Act. Collectors are expected to take action against such shops.

### IV Listing and close monitoring of sensitive liquor shops:

Classify the liquor shops in your district as sensitive based on the following criteria:

A. Those shops which, on 01.11.2013, have liquor stock which is 50% or more than the liquor stock on 01.11.2012. The list of such IMFL shops has already been communicated. However, you need repeat this exercise for Country Liquor shops in your district.

B. Shops, which are located in a slum or are located in close proximity of a slum.

C. Shops located away from main roads and located in interior rural pockets.

D. Shops which show more than 30% increase in sales on any day in November as compared with their average daily sales of October, 2013.

These shops must be monitored and their brand-wise stock register checked on daily basis.

### V Prevention of liquor storage for distribution in election:

Slum areas, shanty towns, camps (if any) in urban areas and remote or poorly accessible habitations in rural areas are potential storage points for illegal liquor. District Collectors with the Excise Officials are expected to identify such locations and conduct frequent police patrolling and raids in such locations.

6. In the light of all the above instructions, I am directed to request you to issue suitable instructions to the Collectors & District Election Officers to give a daily report in the format prescribed in Annexure-2 to the Special Secretary Excise (CEO), State Government, who will send a compiled report for the entire state to the Commission.
7. These instructions may be brought to the notice of all DEOs, SPs, all Observers and officers of Excise Deptt.

Yours faithfully,

Election Commission’s letter No. 437/6/1/2008-CC & BE Dated: 24th October, 2008 addressed to The Cabinet Secretary Government of India, the Chief Secretaries and the Chief Electoral Officers of all States and Union Territories.

Subject: Election Expenditure on travel by Lead Campaigners - Use of helicopter for election campaign, etc.

1. I am directed to state that according to sub-section (1) of section 77 of the Representation of the People Act, 1951 it is provided that “Every candidate at an election shall, either by himself or by his election agent, keep a separate and correct account of all expenditure in connection with the election incurred or authorized by him or by his election agent between the date on which he has been nominated and the date of declaration of the result thereof, both dates inclusive.” Under sub-section (2) it is provided that the account shall contain such particulars as may be prescribed, and under sub-section (3), it is laid down that the total of the said expenditure shall not exceed such amount as may be prescribed.

2. Explanation (1) to section 77(1) provides that the expenditure by leaders of a political party (usually referred to by us as star campaigners) on account of their travel by air or any other means of transport for propagating programme of a political party shall not be deemed to be expenditure in connection with the election incurred or authorized by a candidate of that political party.

3. The provisions of section 77(1) and Explanation (1) there-under have to be so harmoniously read that they do not nullify the main object underlying the provisions of section 77(1). Section 77(1) clearly stipulates that a candidate has to account for all his election expense, incurred or authorized by him or by his election agent. Explanation (1) is in the nature of an exemption from account of such expenditure which is incurred by the leaders of the political party in connection with the candidate’s election, so that election campaign may be carried out in his constituency by leaders of his political party and any expenditure incurred on their travel by or any other means of transport may not form part of the candidate’s overall expenditure. It therefore follows that a candidate who has been declared as leader by a Political Party for the purposes of Explanation to Section 77(1), cannot be considered to be a leader of his political party in his own constituency within the meaning of Explanation (1) to section 77(1), whatever may be his standing in relation to other candidates of his party in the other constituencies. In his own constituency(ies), he is a candidate first. Thus, whatever expenditure he incurs on his own travel within his constituency(ies), on his travel whether by helicopter/aircraft or by any other means of transport, the same has to be accounted for within his overall limit of maximum expenditure prescribed for his constituency. When he goes out of his constituency to the other constituency as a star campaigner, the expenditure on his travel from his constituency to the other constituency would...
fall within the exempted category, and so also his travel expenditure from the other constituency to his own constituency when he comes back for his own campaign would be so exempted. But once he reaches his constituency and travels within the said constituency, his expenditure on such travel within his constituency would be liable to be accounted for by him. Any other interpretation of the above mentioned provisions would defeat the very object underlying section 77(1). This would be more evidently glaring in the case of bye-elections where a political party may include the name of its candidate as a star campaigner and that would give him a license to travel within his constituency by adopting any means of communication and without accounting for the same.

Sub: Measures to check ‘Paid News’ during elections i.e. advertising in the garb of news in Media

Sir/ Madam,

1. I am directed to invite your attention to the subject cited and to state that the recent phenomenon of ‘Paid News’ which is assuming alarming proportion as a serious electoral malpractice, has been causing concern to the Commission in the context of conduct of free and fair elections. Several political parties and media groups have also conveyed their similar concerns to the Commission. There has been dialogue of several stakeholders with the Commission at different platforms and there is near unanimity to take necessary steps to put a halt to such mal-practice which puts undue influence on the free will of the voters, encourages the role of money power in a covert manner and disturbs level playing field in elections. The practice of paid news has to be seen as an attempt to circumvent the provisions of Sections 77 and 123 (6) of R.P. Act 1951 which prescribe accounting and ceiling of election expenses and make exceeding such prescribed limits a corrupt practice in elections.

2. The Commission has directed that maximum vigilance may be observed by making use of the existing provisions of law so that the incidence of ‘Paid News’ or surrogate advertisements in Print and Electronic media in the context of elections is arrested. The cases of ‘Paid News’ generally manifest in the forms of news articles/reports published about a particular candidate or a party eulogising them, or similar news articles/reports denigrating the opponents, both intended at unduly influencing the voters. The same or similar type of news articles/reportings (with cosmetic modifications) appearing in more than one newspaper periodical would amount to further corroboration as circumstantial evidence that such news publication could result from collusion of the candidate/party with the editors, publishers, financiers of the newspaper etc. Such collusion would, however, have generally no transactional evidence of payment of consideration in cash or kind.
3. Legal provisions under Sec.127A of the R.P. Act, 1951 make it mandatory for the publisher of an election advertisement, pamphlet, etc., to print the name and address of the publisher as well as printer and failure to do so attracts penalty of imprisonment up to two years and/or fine of Rs.2000/-.

   Section 171 H of the IPC prohibits incurring of expenditure on, interalia, advertisement without the authority of the contesting candidate. The Commission's detailed instruction No. 3/9/2007/JS-II dated 16th October, 2007 in this behalf may be seen (copy enclosed). The said instruction covers the declared or specified release as advertisement inserted in the newspaper, etc., and disclosure of amount paid for such advertisements, but in the case of Paid news/surrogate news, such payment is seldom disclosed as the matter is camouflaged as news though serving the purpose of advertisement only. For the purpose of Sec.127A (1) of the R.P.Act, 1951, election pamphlet or poster means any printed pamphlet, hand-bills or other document distributed for the purpose of promoting or prejudicing the election of a candidate or group of candidates ...

Thus, Paid News would also fall in the category of other document liable to be included in election pamphlet & poster and action taken accordingly. Hence, an obvious case of news reporting in the print media dedicated/giving advantage to a particular candidate or the party while ignoring/causing prejudice to other candidates and parties would require investigation.

4. The Commission directs that for the purposes of above investigation, district level committees may be constituted by the DEOs in each district as soon as election is announced to do vigorous scrutiny of all newspapers, published or having circulation in the district in order to locate political advertisement in the garb of news coverage appearing within the election period. DEOs should closely monitor advertisements released in print media in any form including surrogate advertising in the form of news, and serve notices to candidates/political parties where called for, so that the expenses incurred thereon are duly reflected in the account of the concerned candidate/party.

5. Similarly, the District Committee should also keep a watch on the election news/features, etc. on the electronic media in the district. When there is disproportionate coverage to the speech/activities of a candidate on television/radio channels, which is likely to influence the voters and yield electoral benefit to a particular candidate, and the same coverage appears in several channels, then the candidate should be served with notices by the DEOs to explain her/his stand as to why the coverage should not be treated as advertisement, and matter should be reported to the Commission.

6. The Commission has already issued Order No. 509/75/2004/J.S.-I dated 15th April, 2004 consequent upon order of the Hon’ble Supreme Court of India in SLP (C) No. 6679/2004, (Ministry of Information and Broadcasting vs. M/s Gemini TV Pvt.Ltd and Others) providing for the constitution of a committee for previewing, scrutinizing and verifying all advertisements by individual contesting candidates or
political parties, before it is inserted in the electronic media. The aforesaid phenomenon of Paid News by-passes the scrutiny of the Committee despite being a political advertisement in spirit and also evades accounting in the expenses book of the candidates. CEOs may strengthen these Committees so as to also scrutinize the news reports in electronic media, which bear the character of political advertisement, though without being declared to be so. Notices to candidates/parties may be issued by the CEOs on the basis of recommendation of such Committees.

7. The Commission should be kept informed of all cases where notices as aforesaid are issued to parties/candidates.

8. The receipt of this letter may be acknowledged and the Commission informed of the action taken.

Yours faithfully,

Sd/-

Sub: Guidelines for dealing with candidates’ advertisements on TV/Cable channels owned by political parties or their functionaries/office bearers during elections.

Sir/Madam,

I am directed to say that the Commission has received various references regarding Paid News and advertisements on TV/Cable Channels network owned by political parties or their functionaries/office bearers. The complaints were filed by different political parties, journalists and other individuals. In order to bring uniformity in dealing with such instances, the Commission has directed to issue the following guidelines: -

1. Six months before the due date of expiry of Lok Sabha or the State/UT Legislative Assembly, as the case may be, a list of television channels/radio channels/newspapers, broadcasting/ circulated in the State/UT and their standard rate cards shall be obtained by the CEOs and forwarded to the Commission.

2. The Media Certification and Monitoring Committee (MCMC) at District level and State level will monitor all political advertisements in relation to candidates, either overt or covert, and will intimate the Returning Officer for issue of notices to candidates for inclusion of notional expenditure based on standard rate cards in their election expenses account, even if, they actually do not pay any amount to the channel/newspaper, that is otherwise the case with "Paid News". This will also include publicity by or on behalf of candidate by Star Campaigner (s) or others, to impact his electoral prospects. A copy of the notice will also be marked to Election Expenditure Observer.

3. In case of bye-election to Parliamentary or Assembly constituency, the standard rate card will be obtained by the District Election Officer concerned immediately on announcement of the bye-election and Media Certification and Monitoring Committee (MCMC) will take due action immediately afterwards.
4. Like in the case of Paid News, the Chief Electoral Officer and District Election Officers will brief political parties and media houses about the above guidelines before the commencement of the election campaign.

5. In case of any technical doubt relating to the application of the standard rate card, the matter would be referred to the DAVP, Ministry of I&B, Govt. of India for advice.

These instructions should be read together with the Commission’s earlier circulars on Paid News dated 8th June 2010, 23rd September 2010 and 18th March, 2011.

This may be brought to the knowledge of all concerned immediately.

Subject: Election Campaign by political parties and candidates - election expenditure of candidates - regarding.

1. I am directed to invite your attention to the provisions of sub-section (1) of Section 77 of the Representation of the People Act, 1951, relating to account of election expenses. As per Explanation 1(a) under the said sub-section, the expenditure incurred by leaders of political parties on account of travel by air or any other means of transport for propagating programme of the political party is not deemed to be expenditure incurred or authorized by the candidate or his agent, for the purpose of the said Section. It is to be noted here that the benefit provided under the said Explanation 1(a) will be available if and only if the names of the leaders (maximum of 20 in the case of unrecognized political party and 40 for recognized political party) are communicated to the Commission and to the Chief Electoral Officer of the State concerned within a period of 7 days from the date of notification for the election as required under Explanation 2 under sub-section (1).

2. The above mentioned provisions have been brought to the notice of the political parties in the past. The political parties are again advised to take note of the provisions of Section 77(1) explained above. In the event any political party fails to comply with the requirements of Explanation 2 mentioned above, the benefit provided under the Explanation 1 will not be available to the party, and the travel expenses of all leaders in the case of such parties will necessarily be required to be included in the account of election expenses of the candidates concerned.

3. Your attention is also invited to the instructions contained in the Commission’s letter No.437/6/97/PLN-III, dated 18.3.1997 (copy enclosed). As per the instructions in the said letter, details of all vehicles being used by a candidate for his election campaign are required to be lodged with the District Election Officer concerned. In this context, it may be noted that two-wheelers like motorbikes, scooters, mopeds, etc. are also covered under the instructions in the said letter, and details in respect of such vehicles are also required to be furnished to the District Election Officer.

4. Where political parties or candidates use aircraft/helicopter for election campaign, prior information should be given to the Chief Electoral Officers of the State concerned. While giving such information, the number of aircrafts/helicopters...
being used and the name of the Company from which the aircraft/helicopter is being hired, should clearly indicated. Further, within three days of any aircraft/helicopter being used for election campaign, full details regarding areas covered, number of sorties involved and manifest of passengers along with the hire charges paid/payable should be furnished to the Chief Electoral Officer.

5. Kindly acknowledge receipt of this letter.

Election Commission's letter No. 76/2004/J.S.II, dated 10.04.2004 addressed to the Chief Electoral Officers of All the States and Union Territories.

Subject: - Expenditure to be incurred on barricades and rostrums etc.

1. I am directed to refer to Commission's letter No. 437/6/OR/95/MCS/1158 dated 29th March, 1996 read with Commission's orders No. 437/6/ES/0025/94/MCS dated 21st October, 1994 (reproduced as item No. 133 in the Compendium of Instructions 2004) wherein it has been laid down that expenditure incurred on security arrangements like barricading/rostrums etc. in connection with the campaigning by any political leader or candidate shall be borne by the concerned political party. The Commission has received queries to the effect - whether the expenditure on construction of rostrums/barricades will be charged to the political party or to the account of the individual candidate or a group of candidates belonging to the political party who are present on the occasion of a meeting where "leaders" of the political party participate.

2. The guiding principles to distinguish between the expenditure incurred by the political party and the expenditure incurred by the candidates were enunciated by the Supreme Court in Kanwar Lai Gupta v Amar Nath Chawla (AIR 1975 SC 308) wherein the Apex Court had observed: "when the political party sponsoring a candidate incurs expenditure in connection with his election as distinguished from expenditure on general party propaganda, and the candidate knowingly takes advantage of it and participates in the programme or activity and fails to disavow the expenditure or consents to it or acquiesces in it, it would be reasonable to infer, say in special circumstances, that he authorised the political party to incur such expenditure and he cannot escape the rigors of the ceiling by saying that he has not incurred the expense, but his political party has done so."

3. With the amendment to Section 77 of the Representation of People Act, 1951 only the expenses on account of travel of leaders of the political parties, covered under explanation 2 below Section 77, will be exempted from being included in the account of election expenses of the candidate. All other expenses - incurred/authorized by the political parties, other associations, body of persons/individuals - are required to be included in the account for the candidate.

4. The Commission has considered the matter carefully and keeping in view the provisions of law has directed as follows:-

i. The expenses on construction of barricades/rostrums etc. when done initially by the government agencies on account of security considerations on behalf of the party/organizers are to be booked as expenditure of a candidate in whose constituency the said meeting takes place or to a group of candidates who...
are present at the time when the leader of a political party addresses such a meeting. In cases where there are more than one candidate of the political party present at the time of the said meeting of the "leader", the expenditure will be apportioned equally amongst all, and the District Election Officer of the district where such a meeting takes place shall obtain the final costs from the concerned government agencies within three days of the event and intimate to the candidates their respective share of expenditure. This information will also be intimated to the Returning Officer / District Election Officer of the Constituency / District to which the other candidates belong.

ii. Where such construction of rostrums/barricades are done on account of security considerations by the candidate(s) or the political party or the organizers from their own funds, amount will be reflected in the accounts of the concerned candidate or a group of candidates present in the meeting of the "leader". These accounts will be duly verified by the Election Observer or the Designated Officer appointed for scrutiny of the accounts.

5. The Commission has further directed that in all cases where the construction of barricades/rostrums are being done by government agencies the candidate/political party /organizer will deposit the estimated cost of barricades/rostrum in advance.

6. For expenditure already incurred on such items between the date of notification issued for the first and second phases of the current general elections, the concerned DEOs shall immediately take action as per para 4 above and inform all candidates concerned.

Election Commission's Letter No. 76/98/J.S. II dated 30.10.1998 addressed to CEOs of all States and UTs.

Subject: Daily accounts of election expenditure to be maintained by contesting candidates in prescribed Register - submission to the officers/Expenditure Observers for scrutiny - compliance - regarding

I am directed to state that as a measures to curb and keep a check on the tendency towards excessive expenditure in electioneering, the Commission has devised a Register containing a detailed proforma that is to be filled up and maintained on a continuous day-to-day basis by all contesting candidates on their electioneering campaigns. Vide Commission's letter No.76/98/J-S-II dated 19.1.1998 it has been directed that the District Election Officer should nominate/designate officers located within the district, before whom a contesting candidate should produce periodically the Register of his day-today election expenses account, for the purposes of inspection and scrutiny. Reacting to the views expressed by some political parties, the Commission had further issued instructions vide the above letter that though the accounts of election expenses are to be maintained on daily basis, the same need be submitted to the designated officer for the purpose of inspection and scrutiny only once in three days.

1. It has come to the notice of the Commission that in some instances certain candidates have not cared to show the Registers of their daily election expenses to the designated officers, or even the Observers appointed by the Commission despite the same having been asked from them.

2. Obviously it raises a reasonable presumption that the accounts of expenses are not being maintained on a daily basis as required under the law, in these cases, but are being prepared after the election process is over in a manner which does not give a true account of the expenses that were indeed incurred by the candidate. The Commission, therefore, directs that where a candidate does not produce the Register containing his daily account of election expenses, before the designated officer/Observer, despite notice, the District Election Officer shall cause a complaint to be lodged under Section 171 -I of Indian Penal Code against the errant candidates.

3. In addition to this, the fact whether a candidate has submitted the Register showing his daily account of expenditure to the designated officer/Expenditure Observer, for his scrutiny on timely basis and whether any action has been taken against any candidate for non-compliance in this respect should be explicitly
mentioned in the remarks column of the report that the District Election Officer furnishes to the Commission under Rule 89 (1) of the Conduct of Election Rules, 1961 (Annexure XLIX to Returning Officers Handbook) to the effect whether the candidates have filed their returns of expenditure on elections or not.

This may be brought to the notice of all concerned, particularly the contesting candidates so that they are well aware of the penal consequences that they may have to suffer if they do not furnish the Registers showing their election expenses to the designated officer/Observers at the appropriate time.
Election Commission’s letter No. 76/2004/J.S.II, dated 12.03.2004 addressed to the Chief Electoral Officers of all States and Union Territories.

Subject:- Instructions for guidance of contesting candidates for lodging their accounts of election expenses - Inspection of accounts of election expenditure as an additional measure -regarding.

I am directed to invite your attention to the Commission's circular dated 29-10-2003, on the subject cited. The Commission had directed (in paragraph 5) that the day to day accounts maintained by the contesting candidates in the prescribed register together with the supporting documents shall be made available by them for inspection to the District Election Officer/Returning Officer/Election Observer or officer specifically designated for the purpose, once in every three days during the process of election.

At the meeting with the representatives of the recognized political parties, many of the parties requested for review of these instructions as visiting the office of the Returning Officer on every third day was inconvenient to the candidate in many cases. The Commission has considered this matter and has reviewed its directions in this regard and has now directed that the scrutiny of the accounts need be done only on three occasions during the entire election period. Accordingly, the candidate shall make available the documents pertaining to their accounts of expenditure for inspection to the District Election Officer/Returning Officer/Election Observer at least thrice during the process of election. However, it shall be ensured that there is a gap of about 4 (four) days in between each inspection and the first inspection may be on or after the third day from the last date for withdrawal of candidatures.

The Commission's directions contained in its letter dated 29th October, 2003 stand modified only in respect of the inspection schedule mentioned above. All other instructions contained therein remain applicable and in force. These, along with the present modified inspection schedule shall be conveyed to all the contesting candidates and the Election Observers appointed by the Commission in connection with General Elections to Lok Sabha, 2004.

Sir/Madam,

In supersession of the Commission’s letter no. 76/2003/JS.II, dated 29.10.2003, on the subject cited, I am directed to state that the Commission has revised the formats of Abstract Statement of Election Expenses (Copy enclosed). As per standing instructions of the Commission, the contesting candidates are required to maintain their account of election expenditure in the prescribed register on day-to-day basis. They are also required to make available the said register, with supporting documents, for inspection, at anytime during the process of election, to the District Election Officers/Returning Officers/ Election Observers appointed by the Commission or any such authority nominated by the Commission in this behalf. The register with the said supporting documents shall be made available by the contesting candidates for inspection, once in three days.

2. The Commission has already prescribed a format (Register) for maintaining account of election expenses by the candidate under sections 77 and 78 of the Representation of the People Act 1951. Under Section 77(1) [vide the 'Election And other Related Laws (Amendment) Act, 2003', already sent to you] only the expenses on account of travel of 'leaders' of the political parties covered under Explanation 2 will be exempted from being included in the account of election expenses of a candidate. All other expenses - incurred/ authorised by the political parties, other associations, body of persons, individuals - are required to be included in the account of the candidate. In order to streamline the

(iii) All day-to-day expenditure shall be truly and correctly recorded in this register by the candidate or his election agent.

(iv) All documents such as vouchers, receipts, bills, acknowledgements, etc. in support of the expenditure incurred or authorised on day-to-day basis shall be maintained in the chronological order along with the aforesaid register as prescribed.

(v) The day-to-day account, maintained in the aforesaid register together with the supporting documents shall be made available for inspection once in three days during the process of election, to the District Election Officer/Returning Officer/Election Observer appointed by the Commission or any other such authority nominated by the Commission in this behalf.

(vi) The District Election Officer and the Election Observer shall prepare a schedule of inspection whereby a three-day cycle of furnishing of accounts will be fixed for every candidate in such a manner that on each day, accounts of one or more contesting candidates are made available for scrutiny to the officers concerned. After each inspection, the register of day-to-day accounts shall be scanned by the office of RO till the date of inspection and uploaded in the website of CEO/DEO for information of public.

(vii) The accounts of the candidates shall be scrutinized by the District Election Officer/Returning Officer and/or Election Observer or by the nominated officers and they will keep two photocopies of the relevant pages of the register. Any person desiring a copy of these day to day accounts shall be provided by the DEO subject to the payment of usual copying charges.

3. I am further directed to request you that the above instructions shall be made clear and known to all contesting candidates, all political parties, election officials concerned and also to the Election Observers. It shall be the responsibility of the District Election Officers to ensure that the instructions of the Commission in this matter are complied with in proper manner.

4. Kindly acknowledge receipt.

Election Commission’s letter No. 76/2004/JS-II, dated 06.08.2004 addressed to the Chief Electoral Officers of all States/Union Territories.

SUBJECT: - Accounts of Election Expenses- Clarification regarding.

I am directed to invite your attention to the provisions regarding maintenance of account of election expenses by contesting candidates. It has been brought to the notice of the Commission that in certain cases, prospective candidates get campaign materials prepared in advance, before the filing of nomination. Questions have been raised regarding accounting for the expenses of this nature. Some candidates have, in the past, left out the expenditure on such items from the account of their election expenses on the pretext that only the expenditure incurred from the date of filing nomination is to be accounted for.

It is clarified that the candidates, while maintaining their register of accounts of election expenditure, should also account for all expenditure including those incurred prior to the date of nomination for preparation of campaign materials etc. which are actually used during the post nomination period/in connection with the election.

The above directions may be brought to the notice of all District Election Officers and Returning Officers for information and necessary action in future election.

Kindly acknowledge receipt.
Subject:- Expenditure incurred by leaders of the party in election campaign.

I am directed to invite reference to the provisions of Section 77 of the Representation of the People Act, 1951. As per Explanation 1(a) read with Explanation 2 under sub-section (1) of the said Section, the expenditure incurred by leaders of the political party on account of travel for propagating programme of the party shall not be deemed to be expenditure in connection with election, incurred or authorized by the candidate or his agent, provided the names of the leaders for this purpose are communicated to the Commission and the Chief Electoral Officer of the State within a period of seven days from the date of notification of the election. In case of the constituencies going to poll in the first phase of election in Bihar in the current general election in that State, the notification of election was published on 23.09.2005, and for the constituencies in the second phase, the notification was published on 28.09.2005. As you party has not communicated the list of 'leaders' of your party for the purposes of the abovementioned Explanations 1(a) and 2 under Section 77(1), it may be noted that all expenses incurred in connection with visit of all leaders of your party, including their travel expenses for the first two phases of election, will necessarily have to be shown in the account of election expenses of the candidate(s) concerned in connection with whose election the visit is made. If the visit is a common one in connection with the election of a group of candidates, the expenses will be equally apportioned among all such candidates.

The above legal position may be noted and also brought to the notice of all the candidates of your party contesting election in the first and second phases of elections in Bihar.
Election Commission’s letter No. 76/EE/2005/JS.III, dated 07.10.2005 addressed to the President, Jana Dal (United) and copy sent to the Chief Electoral Officer, Bihar with the request to bring this to the notice of all District Election Officers and Returning Officers concerned and also the Observers of all constituencies where candidates of the above mentioned parties were contesting. (The CEO was also requested to instruct the Returning Officers to bring the following position to the notice of all such candidates also.)

Subject:- Expenditure incurred by leaders of the party in election campaign.

I am directed to invite reference to the provisions of Section 77 of the Representation of the People Act, 1951. As per Explanation 1(a) read with Explanation 2 under sub-section (1) of the said Section, the expenditure incurred by leaders of the political party on account of travel for propagating programme of the party shall not be deemed to be expenditure in connection with election, incurred or authorized by the candidate or his agent, provided the names of the leaders for this purpose are communicated to the Commission and the Chief Electoral Officer of the State within a period of seven days from the date of notification of the election. In case of the constituencies going to poll in the first phase of election in Bihar in the current general election in that State, the notification of election was published on 23.09.2005. As you party has not communicated the list of ‘leaders’ of your party for the purposes of the abovementioned Explanations 1(a) and 2 under Section 77(1), in respect of the 61 Constituencies in the first phase of election, it may be noted that all expenses incurred in connection with visit of all leaders of your party, including their travel expenses for the first phase of election, will necessarily have to be shown in the account of election expenses of the candidate(s) concerned in connection with whose election the visit is made. If the visit is a common one in connection with the election of a group of candidates, the expenses will be equally apportioned among all such candidates.

The above legal position may be noted and also brought to the notice of all the candidates of your party contesting election in the first phase of elections in Bihar.
Election Commission letter No. 76/2007/JS-II Dated: 29th March, 2007 addressed to the Chief Electoral Officers of all States and Union Territories

Subject:- Section 77 of the Representation of the People Act, 1951-Election Expenditure of candidates- regarding.

1. Section 77(1) of the Representation of the People Act, 1951, provides that every candidate at an election shall keep it the correct account of all expenditure incurred or authorized by the candidate/his election agents in connection with the election of the candidate. The expenditure incurred on travel by leaders of a political party whose names have been communicated to the Commission and the Chief Electoral Officer as required under Explanation 2 to Section 77(1) is not deemed to be expenditure incurred or authorized by a candidate of that political party for the purposes of the said Section.

2. Some CEOs and Observers have sought clarifications about the effect of expenditure incurred by political parties on advertisements on the election expenditure accounts of the candidates.

3. In this context, attention is invited to the Commission’s letter No. 76/2004/J.S.II, dated 10th April, 2004 (copy enclosed) on the issue of expenditure incurred by political parties in connection with election rallies, etc.

4. In the judgment of the Hon’ble Supreme Court, in KanwarLal Gupta vs. Amar Nath Chawla (A.I.R. 1975 SC 308), referred to in the abovementioned letter dated 10.4.04, the Hon’ble Supreme Court has held that the expenditure incurred by the political party, as distinguished from expenditure on general party propaganda, which can be identified with the election of a given candidate would be liable to be added to the expenditure of that candidate as being impliedly authorized by the candidate. The Apex Court has further held in that matter that a party candidate does not stand apart from his political party and if the political party does not want the candidate to incur the disqualification, it must exercise control over the expenditure which may be incurred by it directly to promote the poll prospects of the candidate.

5. The expenditure incurred by a political party on advertisements, in connection with any election could be categorized into the following:

(i) Expenditure on general party propaganda seeking support for the party and its candidates in general, but, without any reference to any particular candidate or any particular class/group of candidates:

(ii) Expenditure incurred by the party, in advertisements etc. directly seeking support and/or vote for any particular candidate or group of candidates;
(iii) Expenditure incurred by the party which can be related to the expenditure for promoting the prospects of any particular candidate or group of candidates.

6. Applying the ratio of the judgment in Kanwar Lal Gupta's case, it is clarified that in the case of any advertisement by political parties, whether in print or electronic or any other media, falling in category (i) above, which is not relatable to the election of any particular candidate or a given group of candidates, the expenditure may be treated as expenditure of the political party on general party propaganda. In the cases of expenditure falling in categories (ii) and (iii) above, i.e. cases where the expenditure is relatable to the election of a particular candidate or a group of candidates, the expenditure shall be treated as expenditure authorized by the candidates concerned and such expenditure shall be accounted for in the election expenses accounts of the candidates concerned. In those cases where the expenditure is incurred by the party for the benefit of a given group of candidates, the expenditure is to be apportioned equally among the candidates.

7. The contents of this letter may be brought to the notice of all District Election Officers, Returning Officers, Election Observers, and other election authorities. This may also be brought to the notice of all the political parties in the State, including the State units of the recognized political parties.

Please acknowledge receipt of this letter.

Election Commission letter No.76/2007/JS-II  Dated: 4th April, 2007 addressed to the Chief Electoral Officers of all States and Union Territories

Sub: Account of election expenses of candidates - Section 77(1) of the Representation of the People Act. 1951 – regarding.

Section 77(1) of the Representation of the People Act., 1951 mandates every contesting candidate at an election to maintain the correct account of expenditure incurred/authorised in connection with the election. Clause (a) of Explanation 1 to Section 77(1) provides that the expenditure on travel incurred by leaders of a political party for propagating programme of that party shall not be treated as expenditure in connection with the election incurred/authorised by a candidate of that political party for the purposes of the said Section. Explanation 2 to Section 77(1) provides that the list of leaders of a political party (40 in the case of recognized parties and 20 in the case of registered unrecognized parties) is to be submitted within 7 days from the issue of notification to the Commission and to the Chief Electoral Officer of the State concerned for availing of the benefit of Clause (a) of Explanation 1.

1. Clarifications have been sought regarding accounting of travel expenses of a leader of a political party covered under Explanation 2 to Section 77(1) when such leader happens to be a candidate himself. It is only logical to conclude that the visit of a contesting candidate to the constituency from where he is contesting election is for the purpose of promoting his own election prospect. When a candidate travels in his constituency for election campaigning, the expenses incurred in connection with the journey has to be treated as part of his election expenses. Therefore, it is clarified that, in such situations, the expenses incurred on account of the journey(s) performed by such leader within the constituency from where he/she is contesting election cannot be exempted from the election expenditure account of that person.

2. It has been observed that in some cases political parties, while communicating the names of leaders of that party under Explanation 2 to Section 77(1), have included the names of persons who are leaders of other political parties or who are not members of that political party. It is made clear that as per the provisions of the law referred to above, a political party can nominate only those persons who are members of that party as its leaders for the purposes of Explanations 1&2 to Section 77(1). In other words, a person who is not a member of the party cannot be nominated as ‘leader’ of the party for the purposes of Section 77(1).

3. It has also been seen in the past that after submitting the list of leaders with the Commission, the political parties approach the Commission for substituting the names therein. In this context, it is pointed out that as per the proviso to Explanation 2, substituting a name from the list is permitted under the law only
where any of the persons mentioned in the list dies or ceases to be a member of the political party concerned and not otherwise.

4. These instructions/clarifications may be brought to the notice of all the District Election Officers/Returning Officers and all election authorities. This may also be brought to the notice of all political parties based in the State including the State Units of recognized national and State parties.

Please acknowledge receipt.

3. The Supreme Court in its order dated 29th April, 1994 in a writ petition (Civil) No. 312 of 1994(State of Tamil Nadu versus Chief Election Commissioner and others)
seeking exemption in the case of Chief Minister of Tamil Nadu had directed as follows:

"While we are conscious of the effort being made by the Election Commission to ensure cleanliness of the electoral process and for the protection and ensurement of free and fair polls, were are afraid, the Election Commission cannot, as it seeks to do here, put out of consideration the security requirements of certain political personalities who might, in view of extremist and terrorist activities and threats to their lives, require security of a high order. To confine the security to only the Prime Minister of the country, as the Election Commission has done, and to deny, as the communication dated 31st March, 1994 seeks to do, to all other may not reflect a proper perception and appreciation of the problem. At all events, the Election Commission will have to take note of the statutory provisions. However, we should make one aspect clear. Having regard to the responsibilities and obligation of the Election Commission to ensuring purity of the electoral process, it is open to the Election Commission, if it has material to doubt that the assessments of the security requirement made by the Director of the Tamil Nadu Special Security Group under the status are so manifestly and unduly excessive as to amount to promotion indirectly, of partisan electoral interests, to bring such matter to the notice of the State Government for appropriate corrective steps."

4. The Cabinet Secretariat in its letter No. 10/22/094-ES dated 3/5 May, 1994 had issued instructions that under the provisions of the Special Protection Group Act, 1988 protection is provided for proximate security of the following:-

(i) The Prime Minister and the members of his immediate family;

(ii) Any former Prime Minister or the members of his immediate family for a period of 5 years from the date on which the former Prime Minister cases to hold the office of Prime Minister

5. In the light of the above order of the Supreme Court the Commission had substituted paragraph 3 of its letter No. 437/6/93/PS-II dated 31st December, 1993 vide para 6 of letter of even number dated 8th May, 1994 to say that "the Commission has decided that para 3 of its above referred circular letter No. 437/6/93-P-II dated 31st December, 1993 will stand substituted by the following:-

5(A) The only exceptions from the prohibitions mentioned in para 2 above will be the Prime Minister and other political personalities who might, in view of extremist and terrorist activities and threats to their lives, require security of a high order and whose security requirements are governed by any statutory provisions made by Parliament or the State Legislature in this behalf.

5(B) The Commission would like to make it clear that having regard to its responsibilities and obligations to ensuring purity of the electoral process, the Commission, if it has material to doubt that the assessments of the security requirements made by the
authorities under the above referred special enactments or any other special instructions of the Government are so manifestly or unduly excessive as to amount to promotion, indirectly, of partisan electoral interests, bring such matter to the notice of the Central Government and/or, as the case may be, the State Government for appropriate corrective steps.

5(C) For achieving this, the Commission may call for any information from the Central Government or the State Government concerned with regard to the assessment of the security requirements made in respect of any such personality. Such information shall be furnished to the Commission by the concerned Government forthwith."

6. It was further clarified by the Commission in its letter No. 437/6/94 dated 14th May, 1994 that all State Governments and the Union Territory Administration are requested to adhere strictly to the orders of the Supreme Court. Further, orders relating to security of the individuals issued under statutory powers or other powers must be fully honoured.

7. The Commission has further directed that when such individuals visit State/Constituency for electioneering and election related work, the expenditure incurred on security arrangements like barricading/ rostrums etc. shall be borne by the concerned political parties.
Subject: Model Code of Conduct – regarding

I am directed to refer to D.O.No.SBI/SSA/1 098/409 dated 13th January, 1998 from Principal Secretary, Home Department, and to state that all Ministers both Union and the State and all other leaders of political parties will be allowed security as per the threat perceptions assessed by official agencies and other professional agencies. Subject: Measures to check Paid News during elections i.e. advertising in the garb of news in media

Sir,

2. The following parts of the Report are for particular attention and necessary action:

(a) The Press Council of India has defined paid news as "any news or analysis appearing in any media (Print and Electronic) for a price in cash or kind as consideration."

(b) The Council has highlighted its own guidelines of 1996 at page 8 to 10 of the Report enclosed with the letter. Para 1 of the guidelines refers that "newspapers are not expected to indulge in unhealthy election campaigns, exaggerated reports about any candidate/party or incident during the elections. While reporting on actual campaign, a newspaper may not leave out any important point raised by a candidate and make an attack on his or her opponent. Similarly, para 5 specifically refers that "Press is not expected to indulge in canvassing of a particular candidate/party. If it does, it shall allow the right of reply to the other candidate party. Thus, any departure from the above guidelines should make a case for prima facie investigation of paid news."

3. Others parts of the Report are for information. Specific action, if any, is being taken by the Commission.

4. As regards the constitution of the district level committee for scrutiny of Paid News during election periods, the same shall be composed of following officers:

i. DEO/Dy DEO

ii. DPRO
iii. Central Govt. I & B Ministry official (if, any in the district)

iv. Independent citizen/Journalist as may be recommended by PCI

5. The above may be taken note of as additional guidelines in continuation of the instructions issued vide letter dated 8th June, 2010 and action may be taken accordingly.

Yours faithfully,

Sd/\(\delta\)

Subject:- Use of Road Transport by party campaigners availing the benefit to clause (a) of explanation given under Section 77 (1) of the Representation of the People Act, 1951 – regarding.

(i) I am directed to refer to Commission’s instruction issued vide its letter no. 437/6/2007/Vol.-IV-PLN-III dated 16th October, 2007 and instruction issued vide letter No. 3/7/2008/JS-III dated 7th October, 2008 and to state that the Commission has already modified the guidelines on use of vehicles in convoy and use of flags and stickers on vehicles. Consequently, the former instruction stated above is modified and superseded by this instruction regarding number of vehicles to be allowed to go in a caravan on the road during the period of election campaign by leader(s) who have availed of the benefit of clause (A) of the explanation given under section 77(1) of the Representation of the People Act, 1951.

The restriction on number of vehicles in a convoy has been withdrawn, however, vehicles in the convoy have to conform to the condition as mentioned in the later instruction referred above.

(ii) In case the mode of road transport is to be availed of political parties availing the benefit of clause (a) of explanation given under Sec. 77(1) of Representation of the People Act, 1951, the permit will be issued centrally by the Chief Electoral Officer irrespective of whether the same vehicle is to be used by any leader for election campaigning throughout the State or different vehicles are to be used by such party leaders in different areas. The permit will be issued against the name of the person concerned who will display it prominently on the windscreen of the vehicle being used by him/her in any area. The permits so issued by the Chief Electoral Officer will be of distinctly different colours from the permits to be issued by the District Election Officers/Returning Officers for candidates.

(iii) If the vehicle so permitted in item (ii) above is also occupied by any other person than the leader referred to in item (ii), in that case, the 50% expenditure of the same shall be booked in the expenditure of concerned party contesting candidate from that constituency.

(iv) In case of Video-Vans etc. to be used by a political party for campaign across the states, before any permission to use Video-Vans for campaign is given, it should be
ensured by Chief Electoral officer that such use of vehicle is in accordance with the Motor Vehicle Act. Attention in this context is invited to the judgments dated 23.06.2006 and 14.02.2007 of the Allahabad High Court in writ petition No. 3648 (MB) of 2006 a copy whereof has been enclosed herewith. Respective District Election Officers shall ensure that expenditure incurred on such vehicles is proportionately distributed against the expenditure of the contesting candidates of the party in the areas/constituencies where the Van/Vehicles has been used.

This may be brought to the notice of all Political parties and all election related Officers immediately.

Ref. OMs of even no. dated 08.04.2011 and dated 14.02.2012

Reports are received that during the process of elections, unauthorized arms, contraband goods or large sum of cash/bullion are often transported through chartered aircraft/helicopters/passengers of commercial airlines to the poll bound States. The Election Commission of India is concerned about such incidents, which may disturb the level playing field during the election process.

2. Therefore, as per request of the Election Commission of India, it is hereby directed that the following measures shall be taken, while keeping vigil over the baggage/passengers at commercial airports and in non-commercial airstrips/helicopters of the States, going for poll of those boarding such aircrafts to the poll bounds States:

**Pre-embarkation checks at Commercial Airports:**

(i) During election process, all rules and procedures with regard to frisking and checking of persons and baggage should be strictly enforced without any exception. All passengers (excepting those who are exempted under the Rules) and all the baggage (excepting that which is exempted under the Rules), boarding any aircraft/helicopters including commercial/chartered flights will pass through the pre-embarkation security checks area of operational airports of the State going of Polls.

(ii) No prior permission for landing or take off of chartered aircrafts (including fixed wing aircrafts) and helicopters at commercial airports shall be required from District Election Officer (DEO) or Returning Officer (RO). The Air Traffic Control (ATC) in commercial airports shall inform the Chief Electoral Officer (CEO) of the State and the DEO of the district, in which the airport is located, about the travel plan of chartered aircrafts or helicopters as early as possible, preferably half an hour in advance.
(iii) However, during election process, the ATC shall keep record of all such chartered aircrafts or helicopters, landing and taking off from commercial airports, time of landing, time of take off and passenger manifest, route plan etc. The ATC shall make a copy of this information available to the CEO of the State concerned and to DEO of the district, in which airport is located, within 3 days, after the date of landing/take off and the CEO/DEO shall make such information available to the Expenditure Observer for making necessary verification during inspection. The ATC shall also make the record available for inspection by Expenditure Observer whenever required.

(iv) All baggage, including hand baggage, of persons/passengers (not exempted under the Rules) but permitted to avail the facility of vehicle for going up to aircraft shall also be screened by CISF/State/UT police without any relaxation.

(v) The CISF or police authorities of the State or Union Territory on detection of cash, exceeding Rs.10 lakhs or bullion, weighing 1 kg or more in the baggage of aircrafts, flying to or from the Poll bound State, shall instantaneously report to the Income Tax Department.

(vi) The Income Tax Department, on receipt of information shall make necessary verification as per the Income Tax Laws and take necessary measures if no satisfactory explanation is given. They shall also inform the Election Commission / Chief Electoral Officer / District Election Officer concerned, before release of any such cash or bullion.

(vii) The law enforcement agencies, like CISF, State Police and Income Tax Department shall develop their internal Standard Operating Procedure (SOP) in such a way that the entire event right from detection till seizure or release at the airport is captured by close circuit TVs/ Video Camera. For this purpose the CCTVs shall be installed in all commercial airports in places where the cash/ bullion is detected counted/ seized and also in the interrogation chambers of the law enforcement agencies including Income Tax Department Such recording of CCTVs / Video Camera shall be preserved with the Airport Operator/ Authority for a period of 3 months and when required, be made available to the Election Commission/CEO.

**Checks at Non-commercial Airports/helipads :**

(viii) At remote/uncontrolled airports/helipads, the flying squad or police authorities of the State/UT in coordination with pilot of the aircraft shall carry out the screening/physical checking of all baggage coming out of the craft (excepting the handheld purse by the ladies).
Any unauthorized arms, contraband goods, cash exceeding Rs.50,000/- belonging to any candidate or agent or party functionary shall be investigated and considered for seizure as per order of Hon’ble Supreme Court in Election Commissioner vs Bhagyoday Janparishad & Ors. WP No. 231/2012, dated 09.11.2012. However, it is clarified that frisking of body of any passenger shall not be done at the time of disembarkation at such remote uncontrolled airports/helipads, unless there is specific information about unauthorized arms or contraband goods, etc., being carried by the person.

(ix) At remote/uncontrolled airports and helipads, application will have to be made either by the candidate or by the political party to the DEO concerned, at least 24 hours before landing, mentioning the details of travel plan, place of landing in the district and names of passengers in the aircrafts/helicopters so that DEO can make adequate arrangements for security, law and order issues and also to make available the coordinates of the helipad. Subject: Clarification regarding lodging expenses being incurred by the campaigners of the contesting candidates.

Sir,

1. I am directed to invite reference to the provisions of Section 77 of the Representation of the People Act, 1951. As per Explanation 1(a) read with Explanation 2 under sub-section (1) of the said Section, the expenditure incurred by leaders of the political party, who are star campaigners, on account of travel for propagating programme of the party shall not be deemed to be the expenditure of the candidate in connection with the election. The expenditure related to booking of hotels and lodges rooms in the constituency by or for the Star campaigners is not exempted under Section 77 of R P Act, 1951.

2. I am further directed to inform that all expenditure including lodging/boarding expenses of star campaigners in the constituency where they campaign for any candidate shall be included in the expenditure account of that particular candidate, provided that -
   (a) the Star Campaigners/Campaigners have actually campaigned for the candidate, and
   (b) the Star Campaigners/Campaigners have incurred such boarding and lodging expenditure while remaining in a commercial hotel or lodge for the purpose of election campaign of the candidate irrespective of the fact whether the payment is made by such candidate or not.

3. The market value of such commercial boarding and lodging is to be calculated towards the election expenditure of the candidate, even if the boarding and lodging is provided as complimentary. It is further clarified that if the star campaigner while availing the boarding and lodging in one constituency, travels to another constituency to campaign for other candidates, then the lodging and boarding expense will be proportionately distributed as the expense of those candidates.

4. A notice may be issued immediately in all such cases and it should be processed accordingly.

To
The Chief Electoral Officers of
Assam, Kerala, Tamil Nadu, Puducherry & West Bengal

Subject: Instruction on Election Expenditure Monitoring – Expense related to candidate payment by cash - reg.

Sir,

With respect to instruction of even number dated 7th February, 2011 political parties have asked for further clarification. Election Commission has examined the issues and I am directed to clarify the following:

1. It is mentioned in the Commission’s instructions No. 76/Instructions/2011/EEM dated 07-02-2011 that the candidates shall incur all election expenses by account payee cheques from Bank account opened for election purpose, excepting minor expenses where it is not possible to issue cheque. Some political parties have asked for clarification, specifying the limits of such cash expenditure. It is hereby clarified that if the amount payable by candidate(s) to any person/entity for any item of expenditure does not exceed Rs.20,000/- during the entire process of election, then such expenditure can be incurred by cash, by withdrawing it from the bank a/c opened for the purpose of election. All other payments are to be made by account payee cheque from the said bank account.

2. As per Section 77 of RP Act, 1951, every candidate shall keep separate and correct account of all expenditure from the date on which he has been nominated and the date of declaration of result (both dates inclusive). It is hereby clarified that all candidates, while maintaining their register of accounts of election expenditure, shall account for all expenditure incurred on the day of filing of nomination (i.e. from day) and also those incurred prior to the date of nomination like expenditure on campaign materials etc. which are used during the post nomination period. All expenses relating to the rally or procession organised while filing nomination shall be included in the accounts of the candidates.

3. When members of public attend a public rally/procession/public meeting of candidate(s) by using their own personal vehicle, without receiving any payment or reimbursement from anybody, it shall not be included in the expenditure of the candidate. However, the personal vehicles used in the rally or public meeting for campaign purpose by putting flags or banners or poster for the benefit of any candidate(s) shall be included in the expenses of the candidate(s). If the commercial vehicles bearing commercial registration number are used for rally or public meeting of any candidate(s) the expenditure on such vehicles shall be included in the account of the candidate(s).
4. One personal vehicle owned and used by the candidate(s) for campaign purpose shall be treated as campaign vehicle and notional expenditure on fuel and driver salary as per the market rate shall be included in the accounts of the candidate(s). In case other vehicles, owned by the candidate(s) are used for campaign purpose, then the notional expenses as per the notified rate for hiring of such vehicles shall be calculated by the candidate(s).

5. The use of flags, caps, mufflers with party symbol has been clarified in Question No. 72 of FAQ on Model Code of Conduct. The expense on such items of flags, mufflers or caps with party symbol shall be accounted for by the party concerned as its election expense. If they bear the name(s) or photo(s) of candidate(s), it shall be added to the accounts of the candidate. However, supply and distribution of main apparels like saree, shirt, T-shirt, dhoti etc. by party/candidate is not permitted as it is bribery of voters.

6. ECI instruction No. 464/INST/2011/EPS dated 28-03-2011 has clarified that the expense on the vehicle of the district level party office bearers/leaders (other than star campaigners) for the purpose of their visit to multiple ACs within the district for electioneering shall not be included in the accounts of candidate(s). It is further clarified that if the district functionary himself is a candidate, contesting from the same district and such vehicle is used for his movement in the constituency from where he is contesting, or such vehicle is used for campaign for any particular candidate(s), then the hiring charges of the vehicle shall be included in the accounts of the candidate(s) using the vehicle for campaign purpose.

Sir/ Madam,

Representations have been received from political parties on Star campaigners covered under Explanation (2) of section 77 (1) of the R.P.Act, 1951. The Commission after considering the representations, issues hereby the following clarifications:

1. Expenditure on Advertisement in Print/Electronic Media

If the advertisement for general party propaganda with photo or appeal of the leader, mentioned above, is made in print and electronic media, without any reference to any candidate, then expenditure on such general advertisement shall be booked to the account of the political party. If such leader happens to be a candidate in any constituency, the expenditure on such general party propaganda, even if it contains his photo, in print and electronic media, shall not be booked to the account of such leader, as it is in the nature of general party propaganda, without any reference to his constituency.

2. Expenditure on posters, banners, flags, stickers, etc.,

If the posters, banners, flags, stickers, etc., with photo or appeal of the leaders mentioned above, without any reference to any particular candidate are used during the elections, the expenditure shall be booked to the account of the political party. If however, the leader happens to be a candidate in any constituency, then the proportionate expenditure on such items, actually used in his constituency, shall be accounted for in his election expenses.
3. **Travel Expenses**

The Commission has modified its instruction No. 76/2009/SDR dated 20th August, 2009 and relevant Para 5.6.3 of the Commission’s Instruction on Expenditure Monitoring, and it is hereby clarified that if any attendant including security guard, medical attendant, or any other person including or any member of the party, who is not a candidate in the constituency concerned, travels with the leader (star campaigner) of the political party, referred to above, in his vehicle/aircraft/helicopter etc., the travel expenses of such leader shall be wholly booked to the account of the political party. It is further clarified that it shall not result in booking any part of the travel expenditure of the political leader to the account of the candidate, if such persons sharing the transport with the leader (Star Campaigner), do not play any role in election campaign for the candidate. However, if any candidate/candidates share the transport with such leader, then 50% of the travel expenditure shall be apportioned to the candidate/candidates.

Subject: Expenses incurred on community kitchen (langar, bhoj, etc.) - inclusion in the account of election expenses of candidates- regarding

Sir,

1. I am directed to refer to Commission’s instruction of even number dated 07-10-2011, regarding the expenditure incurred on community kitchen (langar, bhoj, etc.) and inclusion thereof in the account of election expenses of the candidates

2. In the context of the above instruction, a doubt has been raised with regard to participation of candidates in the community kitchens (langar, bhoj, etc.) organised by regional communities in their religious institutions as a matter of customary practice and the bhoj/feast, etc. offered as a matter of social practice following a ritual ceremony, like, marriage, death, etc. The instruction of the Commission under reference clearly states that the expenditure on the community functions will be treated as the election expenses of a candidate and added to his account if any contesting candidates attends some community kitchen (in whatever name has been called) either organised by him or by any other person to entertain the electors. It is hereby again clarified that the above instruction does not apply to community kitchens/langars, etc. organised by religious communities within their religious institutions as a customary practice or the bhoj/feast, etc. offered by any person (other than the candidate) in the normal course to celebrate any ceremony like, marriage, death, etc., and the expenses incurred on such community kitchen/ langar/ bhoj/feast, etc. shall not be included in the election expenses of the candidate, provided that the candidate participates therein in the normal course as a normal visitor.
It shall be further ensured that the candidate does not make any financial contribution for arranging such community kitchen, etc. and no political campaign in any manner is undertaken at such community kitchen, etc.

Subject: Code of Conduct for Television broadcasts in Connection with elections.

1. The Election Commission (EC) recognized the significance of television in the coverage of elections. Its reach is widespread and its impact substantial. On the one hand television can be misused to favour one party or another. But, on the other hand, the EC recognizes that television can, if used properly be an important source of information for voters across the country, it can provide the widest first hand education for voters on political parties; their symbols, the various leaders, the different issues in the election.

This is why television all over the world is the single biggest source of information of voters in terms of debates, campaign, coverage etc.

2. It is essential therefore that a model code of conduct is established for television both to ensure it is not misused as well as to ensure it is used in the best interests of democracy and the voter.

3. Listed below are the do’s and don’ts for election coverage on television.

(a) Don’ts

(i) There should be no coverage of any election speeches or other material that incites violence, one religion against, another one caste against another one language group against another etc.

(ii) In any constituency only one candidate should not be projected. While it is not necessary to cover every single candidate (as some constituencies may have several candidates) at least the more important should be covered in any report from a constituency.

(b) Do’s

(i) The following could be covered in a balanced and fair manner:

- campaigning and excerpts from campaign speeches:
- symbols, banners lags and other campaign material of parties:
- results of opinion polls by non-political, professional organisations with a proven track record party manifestoes (critical analysis of which is also perfectly legitimate):
- candidates and their views in different constituencies across the country:
the positions taken by the main parties on different issues important to the electorate:
debates between major parties and candidates:
analysis of previous voting patterns, victory margins, swings, etc.

4. By "balanced and fair" it is meant that among that major political parties:

   no one political party should be given substantially more coverage than others. This "balance" need not be achieved in any single day or in a single story, but over a reasonable period of time, say one week.

   balance does not mean each party must get exactly the same air time to the last second, but parties should be given broadly the same amount of time.

   balance implies that to no reasonable person should it appear that one political party is being projected to the exclusion of others.

5. Procedures

   All producers must record a copy of their programme off air for use as reference in case of any disputes.

   The EC shall be the final arbiter in any dispute.

6. The final interpretation of any disputed passage or story should be with the Election Commission. In case of a disagreement with the broadcaster, one authority could be nominated by the Election Commission

Sir/Madam,

The candidates at elections to the Parliament and the State Legislatures hitherto were required to file two affidavits: one, in Form -26 appended to Conduct of Elections Rules 1961 and the other, in the Form prescribed by the Commission, vide its Order No. 3/ER/2003 dated 27.03.2003, as subsequently modified by the letter of even number dated 25.02.2011. In the affidavits, the candidates are required to declare information about their criminal background, if any, assets, liabilities and educational qualifications.

2. On a proposal moved by the Commission for amalgamating the two affidavits into one format, the Govt. has amended Form 26 so as to include in it all the information that was sought in the two separate affidavits. The Ministry of Law and Justice have notified the revised format of Form 26 in the Gazette of India on 01.08.2012. A copy of the said notification dated 1st August, 2012 is enclosed herewith.

3. In view of the amendment to Form-26, all candidates shall, hereafter, file only one affidavit in the revised Form 26 notified on 01.08.2012(at elections to the Parliament and State Legislatures). The requirements to be followed while filing the affidavit have been mentioned in the notes given at the end of the format. Further, as already directed in the Commission’s letter No. 3/ER/2011/SDR, dated 1st September, 2011, the affidavit should be on stamp paper of such denomination as prescribed under the State Act on the subject.

4. The Commission has directed that the revised format of the affidavit should be brought to the notice of the Returning Officers for all elections conducted by the Commission, including elections to Rajya Sabha and Legislative Councils (in the States having Legislative Council) with instructions to ensure that this is brought to the notice of all concerned. You may kindly ensure that all the Returning Officers, including Returning Officers for elections to Council of States and Legislative Councils, receive a copy of this letter along with the notification of amended Form-26 and
acknowledgement of receipt be obtained from every Returning Officer in the State. A consolidated certificate that all the Returning Officers have received the instructions may be forwarded to the Commission within one month of receipt of this letter,

  5. Puducherry, Puducherry

Subject: General Election to Legislative Assembly, 2011-Vehicle permit for district office bearers of recognized political party regarding.

Sir,

With reference to the subject cited and in partial modification of the Commission’s instruction of even no. dated 23rd March, 2011, I am directed to state that the Commission has reviewed the matter and has now decided that if any political party applies for permission for vehicles to be used by their district level office bearers/ leaders (other than the star campaigner) for their visit to multiple ACs within the district for electioneering purposes, necessary permission should be given by the DEO of the district concerned. In such cases, the permit shall be in the name of the person while also mentioning the registration no. of the vehicle. The expenditure on this vehicle shall be incurred by the political party and not by the candidates. This permit should not be used for travel in other districts.

I am to further state that the Commission has directed that for a particular district only one permit may be issued for a recognized party whether national or state.

It is further stated that the permit should be issued indicating the name of the political leader, the No. of vehicle and also the period for which issued. The permit may be issued on a paper of a color different from those used for issuing permits to candidates and star campaigners, so that it can be easily recognized. An attested copy of the permit shall be prominently displayed on wind screen of the vehicle and original be kept by the person for checking by police or any other authorities. The surveillance teams should also be informed in the matter.

To curb the incidence of such offences the Commission has issued instructions to the Law Enforcement Agencies to form flying squads to keep watch over distribution of cash, liquor and other items in the constituencies during the election process and seize the said items. The services of Investigation Directorate of Income Tax Department have also been requisitioned to keep vigil over movement of cash through Airports, major Railway Stations, Hotels, Farm Houses, Financial Brokers and Hawala Agents. The Commission has also advised the candidates to open separate bank accounts for their election expenses and to make all election expenses through the said bank accounts.

5. In order to maintain the purity of elections and in particular to bring transparency in the process of
elections it is advised that political parties avoid transactions in cash and should instruct their office bearers, officials, agents and candidates not to carry huge cash during the on-going process of elections.

No.76/Instructions/2013/EEPS/Vol. IV Dated: October 15, 2013

To

The Chief Electoral Officers
of all States and UTs

Sub: Opening of separate bank account for election expenditure by the candidates’ matter reg.

Sir/Madam,

I am directed to state that the superintendence, direction and control of all elections to Parliament and the Legislature of every State is vested in the Election Commission under Article 324 of the Constitution. Reports are received that the candidates are spending excessive amount in election campaign, which disturbs the level playing field and are not showing correct expenses in the day to day accounts of their election expenses. Therefore, for maintaining the purity of election process, facilitating maintenance of correct accounts of election expenses by the candidates and also for their proper monitoring, the Election Commission of India hereby issues the following instructions:

(i) In order to facilitate monitoring of election expenditure, each candidate is required to open a separate bank account exclusively for the purpose of election expenditure. This account can be opened any time only for the purpose of election, not later than one day before the date on which the candidate files his nomination papers. The Account Number of this bank account shall be communicated by the candidate in writing to the Returning Officer (RO) of the constituency at the time of filing of his nomination. Wherever the candidate has not opened the bank account or not intimated the bank account number, the RO shall issue a notice to each such candidate to comply with the Commission’s instructions.

(ii) The bank account can be opened either in the name of the candidate or in the joint name with his election agent for the purpose of election expenditure. The said bank account should not be opened in the joint name with any family member of the candidate or any other person, if he/she is not the election agent of the candidate.

(iii) The bank account can be opened anywhere in the state. The accounts can also be opened in any of the banks including the co-operative banks or in the post offices. The existing bank account of the candidate should not be used for this purpose as it has to be a separate bank account for election purpose.

(iv) All election expenditure shall be made by the candidate, only from this bank account. All expenses to be incurred by the candidate on electioneering shall be deposited in this bank account, irrespective of its source of funding including candidate’s own fund. A self-certified copy of the statement of this bank account shall be submitted by the candidate to the DEO along with the statement of the account of election expenditure as required.
to be filed within a period of 30 days from the date of declaration of results.

(v) The candidate(s) shall incur his/her election expenses by crossed account payee cheque, or draft or by RTGS/NEFT from the bank account opened for election purpose. However, if the amount payable by the candidate(s) to any person/entity, for any item of expenditure, does not exceed Rs. 20,000/- during the entire process of election, then such expenditure can be incurred in cash, by withdrawing it from the said bank account.

(vi) The candidate(s) is required to deposit the entire amount meant for election expenses in the said bank account and all their election expenses are to be incurred only from the said account.

(vii) The candidate(s) is also required to ensure that neither their agents and their followers nor they themselves carry cash exceeding Rs.50,000/- in the constituency during election process, as per direction of Hon’ble Supreme Court in case of Election Commission Vs. Bhagyoday Jan Parishad and Ors. (SLP No. CC 20906/2012).

(viii) It is hereby clarified that if any election expenses are incurred without routing it through the said bank account or not by way of cheque or draft or RTGS/NEFT, as mentioned in para (v) above, it will be treated that the candidate has not maintained the accounts in the manner, prescribed by the Commission.

(ix) The DEOs shall issue suitable instruction to all the banks or post offices located in their districts to ensure that they open dedicated counters for election purpose to facilitate prompt service to the candidates in opening of bank accounts. The banks shall also allow withdrawals and deposits from the said account on priority basis during the election period.

2. I am directed to request you to bring it to the notice of all candidates, election officials and all concerned.

Yours faithfully,

SECRETARY
ELECTION COMMISSION OF INDIA
Nirvachan Sadan, Ashoka Road, New Delhi 110001.

No. 491/SM/2013/Communication Dated: 25th October 2013

To,

1. Chief Electoral Officers
   of all States and Union Territories

2. Presidents/General Secretaries
   of All National/State recognized Political Parties.

Sub: Instructions of the Commission with respect to use of Social Media in Election Campaigning.

Sir,

The Commission’s attention was drawn to use of social media for election campaigning and also certain violations of the Electoral Law in the social media, which need to be regulated in the interest of transparency and level playing field in the elections.

Social media refers to the means of interactions among people in which they create, share, and/or exchange information and ideas in virtual communities and networks. It differentiates from traditional/industrial media in many aspects such as quality, reach, frequency, usability, immediacy, and permanence. The prevalence of Web and social media has increased over the years and there have been demands from the political and social groups to regulate the social media during elections as other media is regulated.

There are broadly five different types of social media:

a) collaborative projects (for example, Wikipedia)
b) blogs and micro blogs (for example, Twitter)
c) content communities (for example, You Tube)d) social networking sites (for example, Face book)
e) virtual game-worlds (e.g., Apps)

Legal provisions relating to election campaigning apply to social media in the same manner in which they apply to any other form of election campaigning using any other media. Since social media is a relatively new form of media, it appears necessary to clarify to all concerned by the following instructions:-

A. Information to be given by candidates about their social media accounts.

Candidates are required to file affidavits in Form-26 at the time of filing of nominations. Detailed instructions and the format in which the affidavits have to be filled were issued vide the Commission’s letter No. 3/4/2012/SDR dated 24, August, 2012. Para 3 of this Form requires that email ID of the candidate, if any, should be communicated to the Commission in this Form. The Commission finds it necessary that authentic social media accounts of candidates should also be informed to the Commission. This information should be furnished in the said Para 3 as
My contact telephone no.(s) is/are \( \ldots \), my email ID (if any) is \( \ldots \), and my social media accounts (if any) are \( \ldots \).

B. Pre-Certification of Political Advertisements

In pursuance of the Hon\(\)ble Supreme Court of India\(\)'s Order in SLP (Civil) N. 6679/2004, dated 13 April, 2004, the Commission issued detailed instructions on this subject vide its order no. 509/75/2004/JS-1/4572 dated 15.04.2004. In this order, it was stated that every registered/national and State political party and every contesting candidate proposing to issue advertisements on television channels and/or on cable network will have to apply to Election Commission of India/designated officer for pre-certification of all political advertisements on electronic media before the publication. The order was further modified and consolidated vide Commission\(\)'s order dated 27.08.2012, wherein Media Certification and Monitoring Committees at district and State levels were given the responsibilities of pre-certification of such advertisement along with other functions viz acting against Paid News etc. Since social media websites are also electronic media by definition, therefore, these instructions of the Commission contained in its order No.509/75/2004/JS-1/4572 dated 15.04.2004 shall also apply \textit{mutatis mutandis} to websites including social media websites and shall fall under the purview of pre-certification. You are, therefore, requested to ensure that no political advertisements are released to any internet based media/websites, including social media websites, by political parties/candidates without pre-certification from competent authorities in the same format and following the same procedures as referred in the aforesaid orders.

C. Expenditure on campaigning through internet including social media websites.

According to Section 77, sub section (1), of Representation of the People Act, 1951, every candidate is required to keep a separate and correct account of all expenditure in connection with the election incurred or authorized by him or by his election agent between the date on which he has filed nomination and the date of declaration of the result thereof, both dates inclusive. The Hon\(\)ble Supreme Court of India had directed in \textit{Common Cause Vs. Union of India} in 2005 that political parties should also submit a statement of expenditure of elections to the ECI and such statements are required to be submitted within 75 days of assembly elections and 90 days of Lok Sabha elections. It is obvious that expenditure on election campaign through any advertisement in social media is a part of all expenditure in connection with the elections.

For the sake of removing any ambiguity, it is hereby directed that candidates and political parties shall include all expenditure on campaigning, including expenditure on advertisements on social media, both for maintaining a correct account of expenditure and for submitting the
statement of expenditure. This, among other things, shall include payments made to internet companies and websites for carrying advertisements and also campaign related operational expenditure on making of creative development of content, operational expenditure on salaries and wages paid to the team of workers employed by such candidates and political parties to maintain their social media accounts, etc.

D. **Application of Model Code of Conduct to content on internet including social media.**

The Commission has a model code of conduct in place during the elections in respect of political parties and candidates which remains in force from the date the elections are announced by the Commission till the completion of elections. It is clarified that the provisions of model code of conduct and related instructions of the Commission issued from time to time shall also apply to the content being posted on the internet, including social media websites, by candidates and political parties.

E. As far as the content posted by persons other than candidates and political parties is concerned, the Commission is considering the matter in consultation with the Ministry of Communication and Information Technology on practical ways to deal with the issue, in so far as they relate to, or can be reasonably connected with, the election campaigning of political parties and candidates.

These instructions may please be brought to the notice of all concerned including candidates, political parties, media and election observers for immediate necessary action.

Yours faithfully,

To

1. The President/General Secretary of all Political parties.
2. The Treasurer of all Political parties.

Subject: Guidelines on transparency and accountability in party funds and election expenditure matter regarding.

Sir/Madam,

Under Article 324 of the Constitution, Election Commission of India is vested with the responsibility to conduct free and fair elections. Concerns have been expressed in various quarters that money power is disturbing the level playing field and vitiating the purity of elections. To curb the abuse of money power during elections, the Election Commission has issued several instructions in the past to the candidates and political parties from time to time.

2. It is desirable for the political parties to observe transparency and accountability in respect of funds raised and expenditure incurred, both during elections and in other times. Further, in the interest of conduct of free and fair elections it is necessary and expedient to provide guidelines for bringing transparency and accountability with regard to fund of political parties.

3. In order to formulate the guidelines, the Commission sought comment/suggestions/inputs from all recognized political parties. While most of these parties supported the issue of transparency guidelines, some other had a different view. Having regard to the suggestions received from the political parties and in the interest of purity of election process, the Commission hereby issues the following guidelines under Article 324 of the Constitution, to bring transparency and accountability in funding of political parties: -

(i) Provision (a) to Section 13A of Income Tax Act 1961, inter-alia, provides that political party shall keep and maintain such books of accounts and other documents as would enable proper deduction of its income there from. Accordingly, it is required that (a) the treasurer of the political party or such person as authorized by the party, besides ensuring maintenance of the accounts at all State and lower levels, shall maintain consolidated accounts at the central party
Head Quarters as required under the aforesaid provision, (b) the accounts so maintained by him/her shall conform to the guidance note on Accounting and Auditing of political parties, issued by the Institute of Chartered Accountants of India (ICAI), and (c) the Annual Accounts shall be audited and certified by the qualified practicing Chartered Accountants.

(ii) The Commission has amended the requirements for registration of a new political party w.e.f. 8th October 2010, which inter-alia, require a party to submit a copy of its audited annual accounts. Accordingly, in order to bring uniformity, all political parties shall submit to the Commission or to such authority as mentioned in para (vi) below, a copy of the audited Annual Accounts with Auditor’s report for each financial year, before 31st October of each year.

(iii) The provisions of Section 80GGB and 80GGC of I.T. Act 1961, inter-alia, state that no deduction shall be allowed on the contributions made in cash by any person or company to a political party. Accordingly, the political party shall maintain name and address of all such individuals, companies or entities making donation to it, excepting petty sums, donated by the public only during its public rallies. Further, any amount/donation received in cash, shall be duly accounted in relevant account books and deposited in the Party’s bank account within a week of its receipt. However, the Party can retain a reasonable amount required for day to day functioning of the Party and for defraying the cash expenses.

(iv) Section 40A(3) of Income Tax Act, 1961, provides that all payments exceeding Rs.20,000/- by any business entity to a person in a day are required to be made by account payee cheque/draft, except the exempted category as provided in Rule 6 DD of Income Tax Rules, 1962. No. 76/PPEMS/Transparency/2013

To

1. The President/General Secretary of all political parties
2. The Treasurers of all Political Parties

Subject: Clarification of transparency guidelines for the political parties issued by Election Commission of India on 29.8.2014 - matter reg.

Madam/Sir,

Kindly refer to Commission’s letter No. 76/PPEMS/Transparency/2013 dated 29.8.2014, wherein the Commission issued transparency guidelines for the political parties invoking Article 324 of the constitution. Representations have been received from a few parties raising doubt about the powers of the Commission and asking for clarifications on certain issues. After considering the representations, the following issues are hereby clarified:

1. Under Article 324 of the Constitution, the Commission has plenary powers and also sacred duty, to conduct free and fair elections in the country. Of late, the increasing use of Black money in election campaigns has been noticed and is causing serious concern all around. The use of black money in elections disturbs the level playing field and vitiates the purity of election process. Therefore, there was need to issue the transparency guidelines, in order to protect the purity of election process and for conduct of free and fair elections, as enshrined in the Constitution. There was legal vacuum in this area, which can be filled by the Election Commission of India as held by the Hon’ble Supreme Court in Mohinder Singh Gill vs CEC (AIR 1978 SC 851).

2. The guidelines have been framed after due consultation with all recognized political parties. The lawful instructions, thus issued by the Commission under Article 324, are binding on all political parties and their violations shall affect the transparency of election process which is the bedrock of a democracy.

3. The instruction to political parties to file Annual Audited Accounts with the Commission is essential for maintaining transparency in the functioning of political parties, which is an essential ingredient for conduct of free and fair election. The direction to maintain the name and address of the individuals, companies and entities making donations to the political parties is intended to ensure that no funds are received by the political parties from prohibited sources as stipulated in section 29B of the R.P. Act 1951. However, the Commission is alive to the practice of raising funds by political parties through hundi/bucket collection in public meetings/rallies, where it is not possible to record the name and address of the donors. Therefore, the Commission has exempted such collections from the ambit of the
above instruction. In case of all donations other than those raised through hundi/bucket collection in a public meeting/rally, the record of name and address of each donor has to be maintained by the political party, as is done by all other social/civil society/organizations.

4. The cash received by political parties has to be deposited in its bank accounts within a period of 10 working days excepting the amount required to defray its day-to-day expenses. It is clarified that the total amount of cash in hand of a registered political party for the purpose of defraying its day-to-day expenses shall not normally exceed the average monthly cash expenditure of the party during the last financial year.

5. All political parties are required to submit their election expenditure statement before the ECI within 75 days of assembly election or 90 days of Lok Sabha elections as stipulated by the Election Commission of India in pursuance of the order of the Hon. Supreme Court and it is thus required that the parties file their true and correct statement of their election expenses within the stipulated time limit. Since all the political parties and candidates are having bank accounts and also the banks have extended services to foster inclusiveness, all parties shall make payments in excess of Rs.20,000 to a person or entity on a single day by account payee cheque or draft or by account transfer excepting the payments, mentioned in para (IV) of the said Transparency Guidelines. This will help in curbing excessive flow of cash during elections and will bring in transparency in the election expenditure of the parties.

6. It has been the endeavour of the Commission to maintain level playing field for all political parties and all candidates during elections. In the interest of conduct of free and fair elections, all parties are required to follow the transparency guidelines issued by the Commission, and violation of lawful direction of the Commission may entail action, as envisaged under para 16A of the Election Symbols (Reservation and Allotment) Order, 1968.

Yours faithfully,

No. 76/ Instructions/EEPS/Vol ñ XIX Dated: 30th December, 2014

To

The CEOs of all States/UTs

Subject: Refreshment of polling /counting agents and expenditure on kiosks, :- accounting notional cost in the account of election expenses of the candidate ñ Reg.

Sir/Madam,

I am directed to invite your attention on the subject cited and to state that on going through the election expenditure statements of the candidates, it is noticed that the candidates do not show any expenditure on account of the polling/counting agents, campaign workers, etc. Since candidates incur expenditure on food and refreshment and also payment of daily allowances, etc., for their polling/counting agents and campaign workers during election process and subsequently, such expenses also need to be included in their account. The DEOs may be asked to notify the notional rates of lunch, dinner and light refreshment, daily allowances, etc., for the polling/counting agents and campaign workers, on the basis of prevalent rates in their respective districts after due consultation with the political parties as envisaged in Paras 14.2 and 14.3 of the Compendium of Instructions on EEM, in the list of items of expenditure used for election campaign.

2. I am further directed to state that candidates/political parties open kiosks, campaign offices, etc., in the constituency, during election process and such expenses like rent or electricity or furnishing like shamiana etc., after the date of filing of nomination are to be included in the account of the candidate. The DEOs are required to include the notional rates of erection/construction of such kiosks, campaign offices, etc., in the constituency on the basis of prevalent rates, after due consultation with the political parties as envisaged in Paras 14.2 and 14.3 of the Compendium of Instructions on EEM in the list of items of expenditure used for election campaign.

Receipt of the letter may kindly be acknowledged.

Yours faithfully,
